Step 2:

# ENTER PROPERTY

Details

The screenshot shows the Dealdog CRM interface. At the top right, there are links for 'DealDogCRM.com' and 'Guest (2)'. Below this is a navigation bar with 'Deals', 'Buyers', and 'AI Analyzer' tabs. The main area contains a grid of property type buttons: SFR Flip, Rental, BRRRR, Wholesale, Subject-To, Seller Finance, Multifamily, Mobile Home Park, RV Park, Self Storage, Short-Term Rental, Land, Commercial, Novation, and Hybrid (Morby). Below the grid is a 'Property & Purchase' section with a 'PROPERTY ADDRESS' field containing '123 Main Street'.

Fill in:

- Property Address • Property Type • Purchase Price • Rehab Estimate • ARV
- Optional: Add more details for stronger AI analysis.*
