How to Self-Promote and Make Your Impact Count: Practical Insights for Future Leaders

Susan Heaton-Wright:

Hello and welcome to the Superstore Communicator podcast for leaders and future leaders who want to influence, inspire and be heard in all business conversations. I'm Susan Heaton Wright. Every two weeks I share practical insights, real stories and conversations with business leaders who understand the power of clear, purposeful communication to influence from the boardroom to the big presentation,

Speaker B:

Are you the world's worst kept secret? Are you finding it difficult to self promote and for others to know how incredible you are? At the amazing HBA Cambridge Conference, I'm going to be doing a lunchtime session on how to self promote, how to make sure that other people know how awesome you are and I know that everybody who's attending is really really talented. I want to ensure that your colleagues, your leaders know how amazing you are. So please join us at the HBA Cambridge Event link below and meet me and if I can be of any help at all, just ask.
