MS EUROPA – THE WORLD'S BEST MOMENTS

The EUROPA sets a course for exhilarating experiences in the world's most beautiful spots, with no more than 400 guests on board. Thanks to its small size, our exceptional ship regularly calls at the world's best harbours – whether in the heart of exciting metropolises or off dream islands in the Caribbean. Ideal conditions for immersing yourself in fascinating cultures and breathtaking landscapes, tailored to your individual wishes.

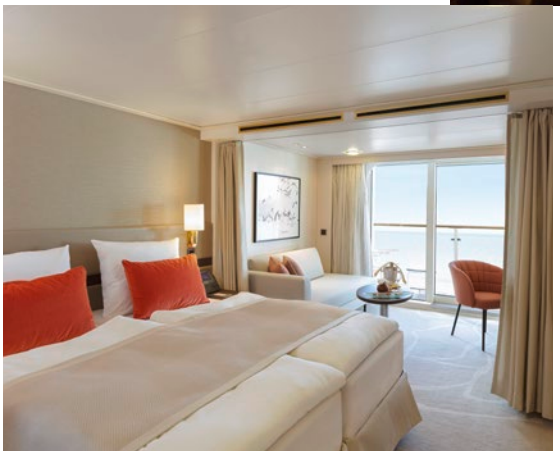

MADE FOR VERY SPECIAL MOMENTS

Wherever you choose to sail with the EUROPA, you will enjoy the warm service of the crew and a maximum amount of freedom on board – to plan every day according to your own personal wishes in a casual atmosphere. Savour delicious seafood delicacies in Pearls, the only caviar restaurant at sea, and sample the creations of innovative three-star chef Kevin Fehling in The Globe by Kevin Fehling, who will be personally on board for selected cruises. Whether you want to recharge your batteries in the OCEAN SPA, experience great artists up close at exclusive concerts or find fresh inspiration for an active lifestyle – countless possibilities and discoveries await you.

Worlds of indulgence for exclusive moments: explore new culinary worlds in five gourmet restaurants or discover the many amenities in your elegant suite. For more information, go to hl-cruises.com/fleet/ms-europa

Conditions for children and young people

For safety reasons, babies and small children are only allowed to travel on board within Europe when over the age of 8 months. For travel in the rest of the world, children must be at least 2 years old. Special life jackets are available for babies and children. The age of the child on the date of departure is decisive.

You will find attractive savings for children on our website in the price overview once you have selected your cruise.

Conditions for children and young people
For safety reasons, babies and small children are only allowed to travel on board within Europe when over the age of 8 months. For travel in the rest of the world, children must be at least 2 years old. Special life jackets are available for babies and children. The age of the child on the date of departure is decisive.

You will find attractive savings for children on our website in the price overview once you have selected your cruise.
