# Meet the Directors and Branch Managers

Together, we are dedicated to delivering specialised, high-quality outcomes for you – values deeply ingrained in our firm's philosophy since 1970.

**SINCE 1994 | PAUL ELLISON**

**BAY OF PLENTY BRANCH | (07) 575 4911**  
DIRECTOR | *CADASTRAL SURVEYOR & GROWTH MANAGER*

With 35 years of surveying under his belt, Paul leads with expertise and vision and is known for his industry knowledge. Paul maintains a competitive edge by staying up to date with industry trends and regulatory changes. When not in the office, you need to look to the sea or the skies, as Paul is a keen sailor as well as a qualified pilot.

**SINCE 2009 | BLAIR JACKSON**

**BAY OF PLENTY BRANCH | (07) 575 4911**  
DIRECTOR | *CADASTRAL SURVEYOR & OPERATIONS MANAGER*

Blair became a Director of RPC Land Surveyors in 2009, accumulating 28 years of expertise in rural and urban surveys, focusing on Subdivisions and LT Surveys. He values client relationships and excels in optimising project outcomes across all scales. Beyond work, he relishes family time with his wife & daughter, either at the pool/beach officiating race meets or at Papamoa Beach supporting the Surf Life Saving Club

**SINCE 2016 | HILTON WATSON**

**AUCKLAND BRANCH | (09) 273 7505**  
DIRECTOR | *CADASTRAL SURVEYOR & BRANCH MANAGER*

With over 23 years in surveying and engineering design, specialising in land development projects. Hilton prioritises cultivating strong client relationships, demonstrating exceptional foresight and problem-solving skills. In his spare time, Hilton can be found playing on the rugby field or bowling green, spending quality time with his partner & daughter exploring everything Auckland & the world have to offer.

**SINCE 2024 | PAUL HARVEY**

**BAY OF PLENTY BRANCH | (07) 575 4911**  
DIRECTOR | *CADASTRAL SURVEYOR & BRANCH MANAGER*

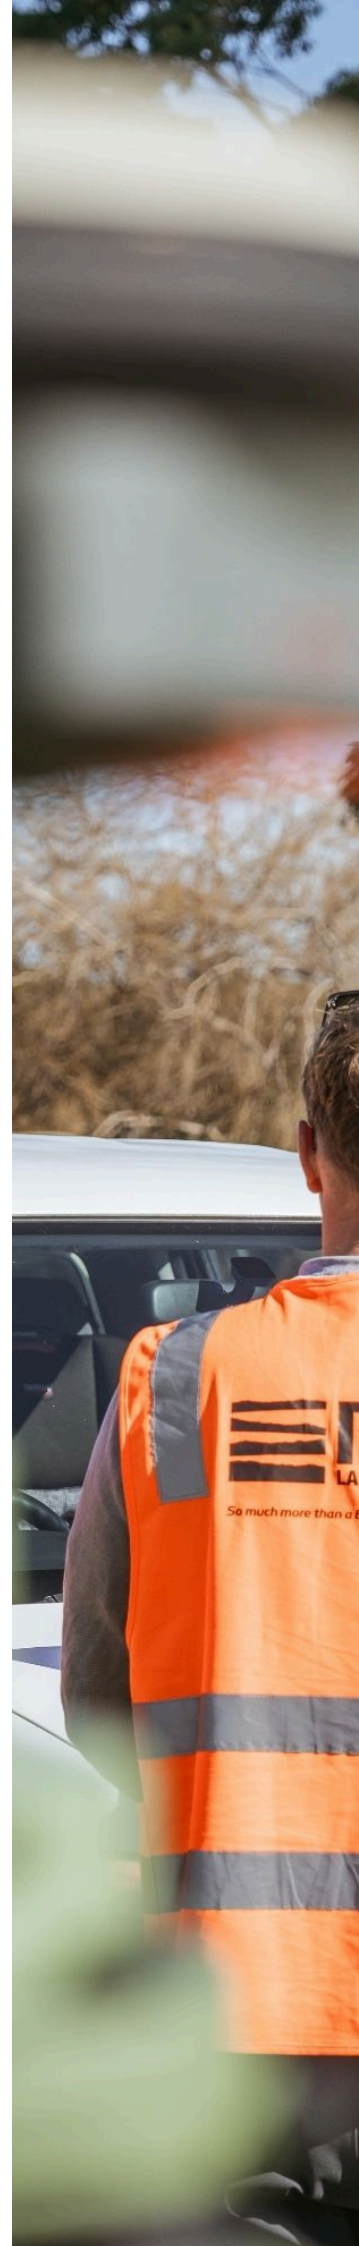

After earning his Licensing Certification with RPC Land Surveyors, Paul worked overseas, gaining experience on central London high rises as well as a Western Australian mine. He rejoined RPC Land Surveyors in 2015, specialising in project management, land development projects, land transfer surveys, and engineering set-out. Outside of work, Paul enjoys time with his wife and young family, cheering for the Chiefs rugby team, and relaxing on the beach.

**SINCE 2023 | RHYS KELLY**

**WAIKATO BRANCH | (07) 827 4945**  
*CADASTRAL SURVEYOR & BRANCH MANAGER*

Meet our Cambridge branch manager, a licensed cadastral surveyor who thrives on the complexities of land development. With a passion for advanced surveying technology, including UAVs, he brings precision to every project. Balancing a bustling home life with his young family, he's a true Cambridge local who enjoys the Waikato district's vibrant community and outdoor pursuits.
