"Tuza came to our headquarters to run a team building session that blew our minds! After 30 minutes of intense drumming the atmosphere was electric and the team were smiling from 'ear to ear'. Tuza was phenomenal, combining his expert drumming skills and ability to whip his audience into a synchronised frenzy. This session has undoubtedly brought the team closer together and given us a shared experience that we will never forget. Thank you, we will see you again!"

OPTION 3 Background Beats/Roving Performers (A 30 minutes, B 60 minutes)

Want to create an exciting atmosphere at your event with African Drumming? Our background beats can be played alone, or to music of your choice (improvisation is very common in African Music). You can use this to add a wow factor as guests enter your event/venue, during cocktail hour, have our performers roving around the crowd and entertaining your guests as they go, or as a stationary performance to add a funky dynamic to your music, perhaps encouraging people to dance.

These beats can be tailored to your type of event, e.g. dynamic & high energy to get your guests on the dance floor, or soft & melodic to create a relaxed vibe.

OPTION 4* Performance - African Drum & Dance Spectacular (10-15 minutes)

Guests will be surprised and delighted with a vibrant African drum and dance spectacular by African Beat's Master Drummers and Dancers. Using an array of traditional African drums and dressed in colourful African costume, our authentic musicians will transport your guests to the tribal villages of Africa. The whole atmosphere will vibrate with the sounds of drumming, singing and tribal dancing.
