## Staff Team Building

### WHY SHOULD THE CHILDREN HAVE ALL THE FUN?

You can choose your own African Drumming adventure, all you need to do is:

- 1 Choose your Type of Experience
- 2 Choose your Number of Participants (1-1000)
- 3 Choose your Number of Performers

### Do you want

- A unified team, who feel connected to each other, to a common goal and valued? i.e. a team that march to the beat of your drum
- Brownie points from your colleagues for organising a successful & fun team building?
- An activity that's suitable for EVERYONE, regardless of age, fitness level or background?
- Something that's easy to organise and doesn't take you away from your busy day-to-day activities!!?
- To relax during the activity, watch the staff having fun and feel accomplished?
- A team that is invigorated, on-purpose & driven to achieve your schools desired results?
- To surprise everyone with a unique solution to unite staff
- To work with a company that understands what you need & does what they say they'll do!?
- To work with a company that shows up on time and don't need babysitting?
- A memorable event for all the right reasons!?

### OPTION 3 Interactive Drumming

(To suit you - Up to 60 minutes)

Participants are greeted with vibrant African drumming and immediately embark on their musical journey with African Beats authentic, professional performers. Their mood is lifted, and with an electric atmosphere in the air, everyone begins to drum along as the energy of the drumming creates excitement and smiles all round.

African Beat's Master Drummer guides the group to play a variety of different African beats, layering sounds and rhythms, bringing everyone together in harmony. In between learning how to master the drum, attendees will also use their own body as a percussive instrument. There will be light hearted, amusing actions along the way to ensure everyone is having fun!

Take pleasure in watching participants transform from individuals who see each other as work associates to a unified percussion orchestra, laughing, enjoying themselves and opening up to each other as human beings. Our talented performers will showcase their drumming and dancing solos to add a fantastic "wow" factor to the event.

No prior experience is necessary! This is a great way to have fun and bring staff together through the power of drumming.

### OPTION 4 Team Challenge

(60-90 minutes)

This program is an extension of our Interactive Drumming activity. Your team is already empowered from their drumming experience, now they are ready to work more closely with their associates in smaller groups – creating their own African Drumming & Dancing performance and showcasing their creation.

OPTION 5

Body Percussion

(10 minutes)

Strip-back the technology and let’s go back to basics! Imagine the reaction of the audience when the ironic ‘motivational speaker’ does not utter a single word yet speaks volumes about teamwork through the power of rhythm. This refreshing and creative approach is more powerful than words.

If you have just a few minutes available, we can get toes tapping, hands clapping and build teams through the original musical instrument - the human body. It's simple & effective. African Beat can have delegates making music together with no props and no words... and in no time! Our African drummers are experts in rhythm, they know how to break it down, and build it up!
