We'll turn your guests into a dynamic percussion orchestra, everyone will be singing, clapping and we'll get some people up dancing too. With a drum each of all of your guests, the excitement will be next level!

Using an array of traditional African drums and percussion instruments, our authentic musicians will entertain your guests, get them involved and make your wedding extra special.

OPTION 2 Performance - African Drum & Dance Spectacular (10-15 minutes)

Wedding guests will be surprised and delighted to hear the venue fill with African Rhythms and experience a vibrant African drum and dance spectacular by African Beat's Master Drummers and Dancers. The show is a mix of stunning high-energy dance and pulsating drums, with performers dressed in colourful traditional costumes, bringing the joy of African music to the occasion.

Guests will feel as though they have been transported to a tribal village. The whole atmosphere will vibrate with the sounds of drumming, singing and tribal dancing.

OPTIONAL ADD ON

Audience Participation (10-15 minutes)

Entertainment is so much more fun when you get to be part of it. We bring 10-30 drums for the Bridal Party and/or some of the audience to be involved in drumming. All of the audience can be involved with singing, dancing & body percussion. Our experienced performers will tailor the entertainment to suit your group.

OPTION 3 Background Beats/Roving Performers (A 30 minutes B 60 minutes)

Want to create an atmosphere at your wedding with African Drumming? You can use this to add a wow factor at different times during your special day. Our professional African performers will come dressed in traditional African costume, creating the vibe you want for your day. Maybe soft & melodic for a relaxed, romantic vibe before and after your ceremony, at cocktail hour, while you're having pictures, etc. Or crank it up with dynamic & high energy drumming making funky beats for an exciting vibe during cocktail hour, or before the DJ/Band starts to get your guests on the dance floor.

Choose to have our performers roving around the crowd and entertaining your guests as they go, or as stationary music with a mixture of drumming & dancing.

Our Background Beats can be played alone, or to music of your choice (improvisation is very common in African Music). These beats can be tailored to suit you, making this a memorable, special occasion for all.
