“Well, we are exhausted but invigorated from the Salaka performance and workshop! The concert was wonderful and exactly what we had hoped for. The fresh and authentic sounds of the pure, un-manipulated voices and the earthy drums was such a breath of fresh air for our students who are saturated with synthesised sounds and duff duff noises. They all wanted to stay for the workshop.”

Anne Bortolussi, Tintern Schools, VIC

OPTION 1 Ice Breaker - Body Percussion (10 minutes)

Strip-back the technology and let's go back to basics! Imagine the reaction of the audience when the ironic 'motivational speaker' does not utter a single word yet speaks volumes about teamwork through the power of rhythm. This refreshing and creative approach is more powerful than words.

If you have just a few minutes available, we can get toes tapping, hands clapping and build teams through the original musical instrument - the human body. It's simple & effective. African Beat can have delegates making music together with no props and no words... and in no time! Our African drummers are experts in rhythm, they know how to break it down, and build it up!

OPTION 2* Interactive Drumming (Up to 60 minutes)

Participants are greeted with vibrant African drumming and immediately embark on their musical journey with African Beat's authentic, professional performers. Their mood is lifted, and with an electric atmosphere in the air, everyone begins to drum along as the energy of the drumming creates excitement and smiles all round. African Beat's Master Drummers guides the group to play a variety of different African beats, layering sounds and rhythms, bringing everyone together in harmony. In between learning how to master the drum, attendees will also use their own body as a percussive instrument. There will be light hearted, amusing actions along the way to ensure everyone is having fun!

Take pleasure in watching participants transform from individuals who see each other as work associates to a unified percussion orchestra, laughing, enjoying themselves and opening up to each other as human beings. Our talented performers will showcase their drumming and dancing solos to add a fantastic "wow" factor to the event.

*OPTIONAL ADD ON
