

ROOF SAUCE

SIMPLY THE BEST IN ROOF REJUVENATION

Benefits of ROOF SAUCE

- Revitalizes shingle flexibility and enhances curb appeal.
- Reduces premature cracking and curling caused by weathering.
- Built-in polymers strengthen granule retention and increase durability.
- Extends the useful life and appearance of a serviceable roof.

ROOF SAUCE is made with...

Tall oil, a powerful all-natural resin engineered to restore and replenish the essential oils used in asphalt shingle manufacturing.

Derived from native Eastern white pine

SOLUTION: REHYDRATE & REFRESH WITH ROOF SAUCE

3-in-1 Patented Formula

PENETRATES
Deep into shingles

REPLACES OILS
Restores flexibility

SEALS GRANULES
Improves retention

REJUVENATE. PROTECT. EXTEND.

Roof Sauce's deep-conditioning, eco-friendly tall-oil formula restores shingle flexibility to help absorb impacts and prevent cracking.

Heat-stable polymers help lock granules in place, improving durability and extending the service life of an aging asphalt roof.
