

Pre-Order Policy

Last Updated: July 2026

Thank you so much for supporting Little Nudge.

By placing a pre-order, you're helping bring our very first production run to life, and we couldn't be more grateful to have you on this journey with us.

What Is A Pre-Order?

A pre-order allows you to reserve your Little Nudge products before they arrive in Australia.

Your order secures your place in our first production run and will be shipped as soon as stock arrives and has passed our quality checks.

Estimated Dispatch Time

Our current estimated dispatch timeframe is:

6–10 weeks

This timeframe includes manufacturing, international freight, customs processing and delivery to us before we carefully pack and dispatch your order.

While we always aim to dispatch as quickly as possible, occasional delays outside of our control may occur.

If there are any significant changes to your estimated dispatch date, we'll keep you updated by email.

Payment

Payment is taken at the time your pre-order is placed.

This allows us to confirm your order and secure your products from our first production run.

Changes To Your Order

If you need to update your shipping address before your order has been dispatched, please contact us as soon as possible and we'll do our best to assist.

Cancelling A Pre-Order

If you wish to cancel your pre-order before it has been dispatched, please contact us.

Requests will be assessed in accordance with Australian Consumer Law and our Returns & Refunds Policy.

Our Promise

We're committed to creating products we're proud of.

Every Little Nudge deck is carefully checked before it leaves us because we want your order to arrive exactly as it should.

Thank you for supporting a small Australian business and for being part of the Little Nudge story from the very beginning.

We can't wait for your decks to arrive.

Jess Spring
