Next Gen NCLEX® Study Guide — Digital Download

Provider: The Nurse Speak

1. What You Are Buying

The Next Gen NCLEX® Study Guide is a downloadable PDF written and published by Damion Jenkins, MSN, RN. It covers how the Next Generation NCLEX® is built and how to reason through its question types.

Your purchase is for the guide itself. It does not include tutoring, coaching, scheduled calls, email feedback, access to the online course, or any other service. Those are separate programs with their own agreements.

2. Delivery

The guide is delivered digitally and immediately upon purchase. There is nothing to ship and nothing to wait for.

You will need a device and a PDF reader to open it. Download and save your copy when you receive it.

The guide is sold in the version current on the date you buy it. If the guide is later revised, you are not automatically entitled to the revised edition.

3. Payment and Refunds

The price is $47, due in full at the time of purchase.

> **This purchase is non-refundable.** The complete product is delivered the moment you pay. Once a digital file has been delivered it cannot be returned, so no refunds will be issued — whether or not you open it, and whether or not you use it.

Review this page and the guide description before you buy. If you are unsure whether this is the right starting point for you, book a free inquiry call first.

4. Your License to Use It

Your purchase grants you a personal, non-transferable license to use this guide for your own NCLEX® preparation.

One purchase is for one person. You may download it to your own devices and print a copy for your own study.

5. Intellectual Property and Redistribution

All information, content, materials, format, layout, logo, graphics, and processes contained within this guide are protected by copyright law. They may not be redistributed, copied, recorded, screen-captured, uploaded, shared, or sold by anyone without the written consent of Damion Jenkins or his appointee.

Specifically, and without limiting the above, you may not:

- Forward, email, text, or AirDrop the file to another person
- Post it in a study group, class group chat, forum, or social media group
- Upload it to a file-sharing site, cloud folder, document-sharing site, or course-sharing site

© 2016–2026 The Nurse Speak. All rights reserved.

- Resell it, give it away, or bundle it with anything you sell
- Reproduce it, in whole or in part, in your own materials
- Distribute copies to a class, cohort, unit, or staff

A digital file is easy to pass along. That does not make it yours to pass along. This guide is the product of years of study, and sharing it takes money directly out of the work that produced it.

6. Institutional and Classroom Use

This guide is licensed for individual use only. Nursing programs, schools, hospitals, agencies, and facilities that wish to distribute it to students or staff require a separate written license.

If you are an educator or administrator and want to use this guide with a group, contact Damion. Institutional licensing is available and is priced for that purpose.

7. No Guarantee of Results

This guide does not guarantee that you will pass the NCLEX®. No study material can guarantee a licensure examination result. Your outcome depends on your individual effort, your consistency, and your commitment to the process.

This is a test-preparation resource. It is not a nursing education program, it does not confer academic credit, and it is not affiliated with NCSBN, your state board of nursing, or any testing vendor. Registering for and scheduling your NCLEX® examination remains your responsibility.

8. Communication and Consent

You give permission to receive emails, texts, calls, promotions, or advertisements from Damion and The Nurse Speak. We will not share your information with others. You may opt out of marketing communications at any time.

How your information is collected and handled is described in The Nurse Speak privacy policy.

9. Questions

Email Damion at damion.jenkins@thenursespeak.com with any question about this guide or these terms.

ACCEPTANCE

By checking the agreement box at checkout and completing payment, you confirm that you have read these Terms of Purchase in full and agree to them — including that your purchase is non-refundable because the file is delivered immediately, that no NCLEX® pass result is guaranteed, that your license is personal and for one person only, and that redistributing, sharing, or reselling the guide is prohibited.
