Matko Update

Matko's August report back is attached to this newsletter for your perusal. According to the overview, August is a month when we typically experience strong winds, while temperatures begin to increase gradually as we prepare for the arrival of spring. Despite the challenging weather conditions, the golf course is looking great, with the greens in particular showing very good condition.

During the month, Matko's focus has been on maintaining adequate moisture levels around the course. They have been applying water as required to help retain moisture in the green surrounds, tee boxes, and fairways. This irrigation management remains important as temperatures continue to rise and we transition into the spring season. Overall, the course is progressing well, and the team remains focused on maintaining and improving playing conditions as we move into spring.

LEAGUE NEWS:

Our Scratch League side is currently top of the leaderboard having played five games, with three wins and two draws. Their latest win was against Parkview on the weekend, where they finished 5-3.

Maxcine's Motivation

Spring has certainly kept us guessing this year. Instead of the warm sunshine and colourful days we typically associate with the season, we've been met with dark skies, chilly mornings, and more than a few stormy days. Yet golf has a wonderful way of reminding us that growth often comes through challenges. This past Saturday was a perfect example. The gusting winds made for a tough test of golf and demanded patience, adaptability, and resilience from our morning field. While the scores may not have reflected ideal conditions, the determination and spirit shown by our players certainly did.

Looking ahead, September promises plenty to be excited about. We have two fantastic events on the calendar: the Spring Trophy and our 2-Day Captains Challenge, where players will take on a series of fun challenges in an individual competition that is sure to provide plenty of laughs, stories, and memorable moments.

Hopefully the weather soon remembers that it's springtime, and we can enjoy some warmer days out on the course. Until then, let's embrace whatever conditions come our way, continue supporting one another, and make the most of every opportunity to get out and play.

I hope everyone enjoyed the biltong on Saturday. Sometimes a little treat after battling the elements is exactly what's needed!

Here's to brighter skies, longer days, and a fantastic month of golf ahead.

Richard's Rewards

Greetings to all on this cool and wet Monday. A weekend full of sport, rugby at the club, celebrations and a vibe that was electrifying.

Then waking up early on Sunday morning and off to support our A Scratch League team against Parkview. There was a slightly later start due to lightning, but fortunately the rain stopped and the course opened for play. Cold, windy and rainy but our boys came out firing. After nine holes the scores were even at 4 - 4. The back nine was not easy and our middle pairings had to really dig deep. At the end of the match we came out victorious 5 - 3 to Eagle Canyon. Congratulations gents on an away win against a tough team. This win takes us to the top of the leader board for A division. Thank you to our team manager Mr Fergie who never misses a match, your dedication and ongoing involvement and support never goes unnoticed.

Another celebration this last week was for a special lady, our Captain Maxcine. Wishing you many more years ahead enjoying life and playing as much golf as possible. I really enjoy working together and making Eagle Canyon a great club.

This Wednesday is the Fedex Club Comp, please join us for a fantastic day out. Competition is Individual Stableford. Our Fedex Joker draw is sitting at R55 000 and will take place at 6pm after prize giving.

The golf course is consistently a work of progress. Dusting and verti-cutting of greens which always helps for a smoother putting surface. The new tee box on the 13th hole is looking ready for play.

Have a wonderful week.
