FROM YOUR CAPTAINS

Maxcine's Motivation

What a fantastic few days of golf we enjoyed during last week's **Captain's Challenge**. Richard and I had the privilege of setting the pin placements on both Thursday and Friday, and it was great to see members embracing the challenge with plenty of competitive spirit, good humour, and some exceptional golf.

As always the course presented beautifully and was in outstanding condition, a testament to the hard work of our team. The atmosphere throughout the event was superb, with members enjoying both the golf and the camaraderie that makes our club so special. Of course no Captain's Challenge would be complete without a healthy number of fines being handed out. And it is safe to say there were plenty of memorable moments that kept everyone entertained over the two days.

Congratulations to all our prize winners who rose to the occasion and produced some outstanding performances. Thank you to every member who participated and contributed to making the event such a success.

Looking ahead, we now turn our attention to the **Rainbow Cup** this Saturday. If the Captain's Challenge is anything to go by, we are in for another memorable day of golf, competition and great club spirit.

We would also like to remind members about an exciting new committee competition, the **Ubuntu Mixer**, which will be introduced on the last Saturday of every month. Members will enter as normal but we will mix the 4-balls creating an opportunity to play alongside different members and build new connections across the club. The concept is simple: we mix the field so that every group brings different schools, experiences and friendships together. New partners, new stories and one community. The Ubuntu Mixer embodies what makes Eagle Canyon special and reinforces the spirit of camaraderie and belonging that sits at the heart of our club.

We look forward to seeing everyone on the fairways this weekend and throughout the season as we continue to create memorable golfing experiences together.

"A golf club becomes a community when strangers become playing partners and playing partners become friends."

Richard's Rewards

Another fantastic weekend of golf and entertainment has just concluded at the club. Maxcine and I want to extend our sincere thanks to all of you for the incredible support and fun we shared during the **Captain's Challenge** last Thursday and Saturday. It was a memorable two days of individual golf, featuring pin positions never seen before, all under absolutely perfect weather.

Congratulations to our daily winners! A special shoutout to our overall champion, **Serniel le Roux**, who delivered an outstanding gross 69 on the final day, winning by a single shot! Well played Serniel!

Course Updates: Dam Levels & Maintenance

You may have noticed that the Main Dams on the 12th and 13th holes are currently at full capacity. This is due to ongoing work on the Dam 5 where we are actively fixing a leak in the dam wall.

To facilitate this repair the dam level needs to drop. The HOA as temporarily slowed the water flow from the top dams, and we are hopeful for a swift resolution to this issue.

A Gentle Reminder on Course Etiquette

Fellow golfers I've noticed an increase in pitch marks across the greens. Please, if you see one, take a moment to repair it. It makes a significant difference to the course quality for everyone.

Additionally, cigarette butts and "stompie" remains are still being found around the course. Smokers, we kindly ask you to use the ashtrays or bins provided to help us keep our beautiful course pristine.
