OPS 36

BGA hosted their final Ops36 9 holes event for term 3 recently, with a number of participants using this event to level up to new tee box distances. It's been another successful term with many first time golfers getting out on to the course and some more experienced beginners levelling up and getting ever closer to the full length course. Term 4 starts 12 October, so if you are looking at starting your golf journey, get in touch with Andre as spots for both juniors and adults are limited.
