

Early Elementary Teacher

K-2nd Grades

Full-Time 10 Month Position

Position Overview

We seek a passionate and innovative Early Elementary Teacher who is energized by children's creativity, inquisitiveness, and intelligence and shares our commitment to progressive education. The ideal candidate will create a dynamic and engaging learning environment that encourages student exploration, inquiry, and collaboration. This position involves teaching a K-2nd grade class and collaborating with colleagues to integrate project-based learning into the curriculum. In project-based learning (PBL), teachers act as facilitators, guiding students through real-world problems and encouraging collaboration, critical thinking, and problem-solving, shifting away from traditional direct instruction. The teachers at Main Street School demonstrate a love of learning and a willingness to engage with new ideas and challenges, modeling the kind of lifelong learner they want their students to become.

Key Responsibilities

- Create and deliver a hands-on, emergent, project-based program that aligns with the school's mission and the developmental needs of early elementary students.
- Collaborate with Upper Elementary Teacher to implement lesson plans.
- Establish a nurturing, organized, and joyful learning environment where children feel safe and valued.
- Differentiate and facilitate instruction to meet each child's needs, abilities, and interests.
- Support children to reach educational milestones.
- Foster a sense of community, empathy, and respect within the classroom through positive guidance and modeling.
- Work closely with assistant teachers, other staff members, and families to support student success and maintain a cohesive elementary program.
- Build strong partnerships with families through regular updates, conferences, and open communication about their child's progress and experience.
- Observe and document student learning, growth, and development to inform instruction and provide meaningful feedback to families.
- Ensure a clean, safe, healthy classroom environment, adhering to all school policies and licensing requirements, and always providing appropriate supervision for children.
- Manage classroom activities including lessons, outdoor play, and meals.
- Encourage children to interact with each other to develop social skills.
- Maintain inventory system for classroom materials and supplies.
- Facilitate diverse and creative activities for children including songs, games, and storytelling.
- Participate in ongoing training and professional growth opportunities to stay current with best practices in early childhood education.

- Actively participate in school-wide events, meetings, and committees to support the overall mission and vision of Main Street School.

Qualifications

Required:

- Bachelor of Early Childhood Education or Elementary Education, Early Childhood or Elementary Teaching Certification
- Minimum of 2–3 years of experience teaching in an early childhood setting.

- Strong understanding of child development principles and best practices in early education.
- Excellent communication and interpersonal skills.
- Ability to create a joyful, inclusive, and respectful classroom environment.
- A “Yes...and” approach to ideas, work, and challenges.

Physical Requirements:

- Ability to move quickly and respond to children’s needs in a fast-paced environment.
- Frequent standing, walking, bending, kneeling, squatting, and sitting on the floor to engage students at their level.
- Ability to lift, carry, and move classroom materials and equipment.
- Comfortable assisting children with self-care tasks, such as dressing, handwashing, and toileting as needed.
- Ability to supervise outdoor play and physical activities, including walking on uneven terrain and being outside in various weather conditions.

Benefits:

- Competitive salary commensurate with experience.
- Tuition remission for children.
- Health & Dental Insurance
- Professional development opportunities.
