 - b. Publicize to specialty bars the availability of sponsorship funds;
 - c. Require the sub-grant recipient to list OWLF as a co-sponsor or co-donor with OWLS;

 - e. Provide OWLF with quarterly reports of co-sponsorship grants no later than two weeks after the end of each quarter.(This amount would be booked by OWLF as a grant.); and
4. OWLF will give \$8,000 as a grant to OWLS in support of its work (which expressly supports OWLF's mission), and in recognition of the administrative support OWLS provides to OWLF. (This amount would be booked by OWLF as a grant.) As a condition of this grant, OWLS must agree that neither OWLS nor any other organization, other than OWLF, will be permitted to do fundraising at the Roberts-Deiz Dinner.
5. OWLF expects to continue its sisterly, positive and mutually-beneficial relationship with OWLS, but all aspects of OWLF's funding to OWLS, and especially the co-sponsorship funding (number 3 above), will be reviewed annually by OWLF and revised as necessary. OWLF recognizes that the amounts OWLS charges for advertising in the *Advance Sheet*, and the amount for sponsorship levels for the Roberts-Deiz Dinner are in the sole discretion of OWLS.
