

Die Shiny Stage Plot 2026

Stage Plot

Drums/Vocal: stage back left
Keys/Vocal: stage back right
Bass/Vocal: center stage
Guitar: stage left
Vocalist: stage right

Input List (Into Split Snake):

1. Lead Vocal
2. Backup Vocal
3. Keys Vocal
4. Drummer Vocal
5. Bass DI
6. Guitar DI (or cab mic)
7. Keys L DI
8. Keys R DI
9. Kick Drum Mic
10. Omni Drum Mic (ours)
- 11 & 12. Stereo Backing Tracks
13. Click (MONITOR ONLY)

The venue’s kick mic will be the only drum mic going into our split. I will leave it up to the sound person to use whatever mic setup they deem necessary for FOH. They are welcome to use the signal from my mono omni mic if they wish, otherwise it’s just for monitoring.

We have our own digital mixer and wireless IEM’s for monitors, no wedges will be needed.
