Ask your Home Consultant
*about extending coverage
for 14 extra months!*

**Receive an
Executive-Level
Moving
Experience**

Activate the limited warranty with your Home Consultant, who will help establish the following:

-  **Utility connections** to ensure your home is move-in ready
-  The best **internet, TV, and phone services** at your new home
-  **Smart home security and automation** to protect your new investment and maximize homeowner's insurance discounts
-  **Homeowner's insurance quotes** that could save you hundreds of dollars
-  Securing competitive **bids for moving services** to ensure your relocation is easy and affordable
-  **Surge protection** for appliances and your home's most critical electronic devices
-  **Re-key services** to ensure there are no keys to your new home floating around

Need additional home services or providers? Just ask!

**Warranty and concierge services
must be activated prior to closing!**

Overwhelmed with moving?

Save time, money, and stress with

Complimentary Home Concierge

How does it work?

1. **SELECT Complimentary Home Concierge** on your Home Protection Plan registration form.
2. **VISIT homewarrantyinc.com/concierge to schedule a consultation*** with your **Home Consultant**, who will assist you in establishing services at your new home.
3. **REVIEW the providers and plans available** for your new address with your Home Consultant.
4. **CHOOSE the companies to work with and the date of service connection**—your Home Consultant will take it from there!
