NAVIGATING THEIR RETURN CHALLENGES WHY YOU *NEED* TO BRING *YOUR EMPLOYEES* BACK

When employees feel connected to their coworkers, they are more satisfed with their careers and are more productive. Having a sense of a common mission can be advantageous for both employers and employees when working in the office.

BENEFITS

Being surrounded by committed individuals working toward the same objective instills a common level of commitment and motivation in everyone. Choosing Newave to help will make your transition easier for everyone.

CHALLENGES

53% of employees are more likely to put their well-being above their employment compared to the pre-pandemic era. 98% of employees feel anxiety about returning to the office. Brushing these facts under the rug won't make them go away. Switching a work environment can be a huge challenge, but it can be a lot easier when you partner with the right IT provider.

PROCESS

Ask yourself what can be updated in the office to entice employees to come back. Technology is a big one for most employees. Phones, laptops, and monitors are easy to upgrade. Take an honest approach with employees and communicate expectations clearly and concisely. The possibilities are endless!

LISTEN TO YOUR EMPLOYEES

It's vital to have an open dialogue with the employees who work for you. Coming back into the o ce is a huge adjustment. Ask questions and listen to their concerns. Take things like a hybrid work schedule or adjusted hours into consideration. Let your workers voice their needs and preferences. Employees will feel heard and understood.
