PROFESSIONAL EXPERIENCE

I'M FROM DENVER

2019 - Present

Co-owner & Chief Operating Officer

Acquired an existing social platform and developed it into a Colorado media and marketing business. Lead business operations, content strategy, brand partnerships, and client campaign production.

- Helped grow @imfromdenver to **575K+ followers**, reaching millions organically each month.
- Developed and produced Mountain States Toyota content that generated **10M+ organic views in a single month.**
- Develop social campaigns and streaming TV (OTT) advertising for automotive clients, including Tynan's Nissan and Volkswagen. Use original scripts, humor, and dealership personalities to distinguish brands in a crowded market.
- Direct production from concept and script through filming and editing. Guide employees, freelancers, and crews, adapting on set to bring out natural performances from people with limited camera experience.
- Interpret content performance and audience behavior to guide creative and distribution decisions, drawing on hands-on experience in content management and social publishing.

YOLO RUM

2012 - 2022

Owner & Chief Content Officer

Led digital branding and creative for an award-winning rum sold nationwide, concurrent with other media roles.

- Directed digital creative and campaigns supporting online sales and orders; oversaw website performance and the brand's online presence.
- Received a **2018 invitation to Google** in Silicon Valley in connection with Yolo Rum's search engine optimization work without Google AdWords.
- Shaped the brand's story and created content to engage its community of micro-investors.

PROFESSIONAL EXPERIENCE / CONTINUED

MAX MEDIA

2018 - 2019

Digital Director
