WELCOME RACERS, FAMILIES & FRIENDS

Today is more than just a race.

Today, we come together to honor the life, legacy, and impact of a man who meant so much to so many — **Bobby “Papa Bear” Garris.**

If you knew him, you know this isn't just an event... it's a celebration. A celebration of the memories, the friendships, and the countless lives he touched both on and off the track. Whether it was in the pits, at the shop, or simply sharing a story, Papa Bear had a way of making everyone feel like family.

Racing wasn't just something he did — it was who he was. The number **51** became more than just a number... it became a symbol of passion, dedication, and heart.

But beyond the racing, what truly defined him was his kindness, his generosity, and the way he always showed up for others. His legacy lives on through his family, his friends, and the racing community he helped shape.

We are incredibly grateful to Kevin Crumpler & the Tri-County Kartway family for hosting this event! For Dick Timmons of Nitro Manufacturing for creating an amazing and unique trophy to honor our Dad. And also for the sponsors and supporters who made this event possible. Your support not only helps bring this race to life, but also honors a legacy that will never be forgotten.

So today, as the engines fire and the green flag waves...

We don't just race to win — we race for Papa Bear.

 **#51 Forever**

PRIMARY RACE SPONSORS
