LA CRETE AGRICULTURAL SOCIETY

The Heritage Restoration Shop is completed and is open from Monday - Friday 9:00 am 5:00 p.m.

The staff and community volunteers are happily working away at restoring museum antique tractors, trucks, pieces of equipment, etc. We invite you to stop in and see what they're up to. Coffee is on at 10:00 a.m. and 3:00 p.m. This is a great opportunity for retirees looking for a hobby. Here's a few pictures of projects that have been tackled and/or are in progress since the shop became operational:

Our local museum, called the La Crete Mennonite Heritage Village, is responsible for preserving the community's history and is always in the business of collecting antique pieces that relate to the local history. Before you send something to the crusher, please contact Menno at (780)285-9664. We are presently looking to see if anyone has an old baler to donate. We're also interested in old logging equipment and tractors and vehicles up to the early 1980s. Let us know what you've got! We have an "Adopt A Tractor" program for anyone interested in driving one of the museum pieces through the Pioneer Day parade. Please contact Jeremy Wiebe at (780)928-4447.

WE'RE HIRING!

Road Sales Representative

We're seeking a motivated individual to drive equipment sales within an assigned territory. This field-based role is focused on building relationships and growing market share by visiting farms, contractors, municipalities, golf courses, landscapers, and other professional users of turf, agricultural, and construction machinery. The ideal candidate is self-driven, comfortable working independently on the road, and skilled at identifying customer needs and matching them with the right equipment solutions.

Call 780-928-3268 or drop off a resume at the shop.

Power. Performance. Kubota.
