UPDATE

## La Crete Maternity and Community Health Centre

Construction continues to move ahead as we build a space that will support families and strengthen health care in the La Crete region.

Crews have made good progress with drilling and pile work. With piling work nearly complete, foundation and electrical work will continue over the next while.

### What's next

- **Foundation work:** Crews will form and pour the base structure.
- **Electrical:** Underground electrical systems will be installed to support future building needs.
- **Site activity:** Workers and equipment will remain active on-site as each stage moves ahead.

### What to expect

- **Noise:** Ongoing construction noise from pile and foundation work.
- **Equipment:** Continued use of drill rigs, concrete trucks and support vehicles.
- **Traffic:** More trucks coming and going as materials arrive and work expands.

Thank you for your patience and support as we create a space that will serve La Crete and area for generations. Together, we're building a healthier future.

We, with pastor Joseph, are supporting the people of Uganda with food, clothing, medical support, work training, fresh water wells, and most importantly, Bibles and teaching them of God's salvation plan. This organization solely relies on freewill offerings from people like you. Together, we can make a difference in someone's life. Be assured, 100% of the money raised goes to those in Uganda. If you share a passion to help the less fortunate, feel free to join this group to receive fundraising updates and information, pictures, and videos of what the people have received through the funds you have given.

Spirit of Giving is a 100% non-profit organization reaching out to help the poorest of the poor in Uganda, Africa. We are working together with Pastor Joseph, who is among the poor, spreading God's Word and Love.

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." *Matthew 25:40*

PREGNANCY  
Care  
CANADA

*Have you, or someone you love  
ever been in a crisis situation?*

We at FFRC are working to bring a Pregnancy Care Centre to the Mackenzie Region. Our mission would be to provide support and services to those experiencing trials in relation to pregnancy, parenting, and loss.

We would love to hear from our communities on how we can best serve you! If you take this short survey, it would be greatly appreciated.

You have the option to take this completely anonymously if you choose. However, if you would like to be updated on our progress or receive opportunities to serve, you can be added to our email list.
