BOOKKEEPER / CONTROLLER SAWMILL OPERATIONS

We're seeking a detail-oriented Bookkeeper/Controller to support the financial health of a busy sawmill operation. This role is ideal for someone who thrives in a hands-on environment and can manage both day-to-day accounting and higher-level financial insight.

KEY RESPONSIBILITIES

- Manage and optimize financial software systems
- Oversee payroll and ensure accuracy and timeliness
- Handle all government remittances and compliance requirements
- Conduct corporate financial evaluations and reporting
- Analyze company performance, trends, and cash flow to support decision-making

QUALIFICATIONS

- Experience in bookkeeping and financial control
- Proficiency with accounting software
- Solid understanding of corporate finance and reporting
- Knowledge of logging/sawmill operations an asset but not required
- Highly organized with strong analytical skills

WE ARE WILLING TO TRAIN AND SUPPORT

the right candidate in transitioning into this role, including those with transferable experience looking to move into the forestry or sawmill sector.

WE'RE HIRING!

Road Sales Representative

We're seeking a motivated individual to drive equipment sales within an assigned territory. This field-based role is focused on building relationships and growing market share by visiting farms, contractors, municipalities, golf courses, landscapers, and other professional users of turf, agricultural, and construction machinery. The ideal candidate is self-driven, comfortable working independently on the road, and skilled at identifying customer needs and matching them with the right equipment solutions.

Call 780-928-3268 or drop off a resume at the shop.
