UPDATE

La Crete Maternity and Community Health Centre

Structural steel is arriving on site this month, one of the biggest steps in the project so far. The steel will form the frame for the whole building, and crews will begin putting it up soon after it arrives.

What's next

- Work on the steel frame will continue through the winter and wrap up in February 2027.

What to expect

- Large trucks and lifting equipment on and around the site as steel is delivered and set in place.
- Week by week, you'll see the building rise and its outline take shape from the street.

Construction commenced October 2025 and remains on schedule.

We're excited to share each new step as this building grows into a place where families can get care close to home.

Operation Christmas Child

Shoebox Collection Week is Nov 16-20

Deadline to Drop Off Shoeboxes is FRIDAY, November 20

@ Ridgeview Central School

during school hours

Donate $12 Per Shoebox

The donation per box is critical to cover shipping costs and The Greatest Journey discipleship program

After much prayer and careful consideration, we have decided to discontinue the community packing party and focus on promoting individual, family, and group shoebox packing in addition to coordinating the shoebox collection in our community.

We are so grateful for the generous support and volunteer efforts that have made our packing events so special. We have been blessed by the enthusiasm of our community in packing these boxes sent to children around the world.

While our approach is changing, our heart for Operation Christmas Child remains the same.

We are excited to continue in this ministry by encouraging everyone to pack boxes and will continue to serve by ensuring necessary supplies are stocked to coordinate our location collection.

Thank you for being part of this ministry and for helping bring Good News and Great Joy to children around the world!

Contact any of the committee members if you have any questions.

With gratitude,
Operation Christmas Child-La Crete
