beCause Your Team Matters

And so does the bottom line. At beCause health, we believe that nothing matters more than your health. That's why we are proud to be part of a nationwide movement dedicated to transforming the landscape of healthcare delivery and payment in America. Our commitment is not just a mission; it's a cause.

Medical Cost Sharing

Introducing an innovative way to pay for large, unexpected medical expenses. Provides clear guidelines, a simple enrollment and access to superb customer support. Sedera Members believe in the power of community, helping one another, sharing medical needs and healthy living.

In Partnership With;

Primary Care Telehealth

Members choose a dedicated board-certified U.S. physician for personalized care by video with no appointment fees. Establishing an ongoing relationship for well visits allows the design of a tailored care plan to manage chronic conditions and more.

Behavioral Telehealth

Members schedule convenient, discreet video and phone sessions with therapists or psychiatrists with no appointment fees nationwide. Providers and appointment times are member-selected and available for temporary support or to establish an ongoing relationship.

Patient Advocacy

Healthcare is confusing, medical costs are rising, and finding the right care can be frustrating and time consuming. Members have a highly-trained expert to find quality providers, get prices on procedures, review and resolve medical bills, and more.

General Telehealth

This service provides 24/7 access to a board-certified U.S. based doctor by phone or video with no appointment fees. Members feel better fast with diagnosis, treatment options, and a prescription sent to their local pharmacy of choice, if medically necessary.
