

The Consciousness of Relationships

Understand yourself through the relationships that shape your life,
and explore the energy, perception, and purpose behind them.

WOODLANDS, TEXAS | 24th OCTOBER '26

Our identity is deeply shaped by the relationships we experience—with people, our work, our passions, and ourselves. This workshop explores how these relationships are influenced by the energies and perceptions within us, revealing the deeper patterns that govern the way we feel, respond, and connect. Through a blend of insightful theory and practical techniques, you'll learn to identify relationship blocks, transform limiting patterns, and cultivate healthier, more conscious, and fulfilling relationships.
