"Bridging Strategy, Procurement & Execution — From Award to Completion."

COMPANY OVERVIEW

InnovaStan Solutions is a consulting and contracting firm specializing in procurement coordination, vendor sourcing, and acquisition support. We operate as a subcontractor to prime contractors, supporting contract performance from pre-award through execution. Our leadership brings seven-plus years of experience managing operations, vendor relationships, and distributed teams across commercial and international markets.

VALUE TO PRIME CONTRACTORS

Delivery-Level Integration	We integrate at the delivery level, reducing the coordination burden on prime contractors by managing vendors, tracking logistics, and supporting documentation — so primes can maintain performance without expanding internal overhead.
Procurement Cycle Expertise	We understand the procurement cycle from pre-solicitation through closeout. That means we come in knowing what's expected, not learning it on the prime's time.
Scalable Remote Operations	Our team has built and managed remote operations across multiple regions, giving us the infrastructure to scale quickly to contract requirements without long ramp times.

RELEVANT EXPERIENCE

Operations & Team Management	Led multi-functional operations across business entities covering finance, project management, and executive coordination. Managed distributed teams operating across multiple time zones and international markets.
Procurement & Vendor Sourcing	Managed product sourcing, vendor qualification, and supply chain logistics across commercial procurement operations. Coordinated supplier relationships and distribution workflows to meet delivery timelines and cost targets.
Financial Structuring & Business Scaling	Supported financial planning, organizational structuring, and operational scaling for companies in growth phases, including budget management, cost control, and cross-functional performance tracking.

CONTRACT INFORMATION

Legal Entity:	TervaraSade LLC	DBA:	InnovaStan Solutions
Primary Role:	Subcontractor to Prime Contractors	SAM / UEI / CAGE:	UGQAP3NAQN37
