LAKE FARM CENTRE

Strategic Wish List & Funding Priorities

Partner with us to empower 84 on-site residents and secure a sustainable future through targeted sponsorships and capital contributions.

How You Can Support Us: We welcome capital sponsorships, equipment donations, bequests, and regular monthly contributions. Section 18A tax-deductible certificates are available for qualifying donations.

1. Sustainable Infrastructure & Renewable Energy

Est. Cost: R2,000,000+

Implement a site-wide alternative energy solution to eliminate volatile diesel and municipal tariff costs, redirecting vital resources back to resident care.

2. Enterprise Development & Retail Expansion

Est. Cost: Variable / Capital

Enlarge, modernise, and expand our on-site Craft/Coffee Shop and Thrift Shop to maximise capacity and long-term financial self-sufficiency.

3. Bakery Capacity Expansion & Kitchen Refurbishment

Est. Cost: R850,000 – R1,000,000

Relocate and scale up our primary fundraising bakery into a vacant kitchen facility, requiring structural refurbishment and heavy equipment relocation.

4. Sewage Plant Refurbishment

Est. Cost: R2,000,000+

Urgent modernization of our 60-year-old waste management infrastructure to prevent operational failure and ensure regulatory compliance.

5. Fire Detection & Alarm Upgrade

Est. Cost: R2,000,000+

Full decommission and replacement of redundant fire safety networks across residential and operational zones to guarantee resident safety.

6. Sustainable Agriculture & Food Security

Est. Cost: Equipment / Capital

Expand agricultural tunnels, shade houses, install solar water pumps, acquire a refrigerated transport vehicle, and set up cold-storage packaging.

7. Integrated Security & Access Control

Est. Cost: Sponsorship / Funding

Enhance perimeter security, upgrade digital surveillance networks, and deploy full-time security personnel to ensure a safe environment.

8. Transport Expansion

Est. Cost: Vehicle Procurement

Procure 1 utility bakkie for farming/maintenance and 1-2 minibuses to support 84 residents with medical visits, outings, and daily logistics.

9. Cash Donations & Operational Support

Est. Cost: Flexible / Monthly

Provide vital financial elasticity for escalating fixed overheads (groceries, utilities, fuel). Bequests and monthly donations are warmly welcomed.
