

Your Customers Don't Work 9-5 Your Leads Shouldn't Either

Over 40% of inquiries arrive outside standard business hours (evenings, weekends, holidays). When those leads hit voicemail or silence, 90% never get followed up the next day—and the prospect has already moved on.

Leadcentrix After Hours AI Never Sleeps
Our 24/7/365 AI answers calls, texts, web chats, and Facebook/Instagram messages the second they come in. It qualifies prospects, answers FAQs, books calendar slots, and hands your team only warm, appointment-ready leads when you open.

Key Advantages

- 60–80% reduction in morning lead-triage chaos
- Higher close rates because prospects feel heard immediately
- No overtime, night shifts, or answering services required
- Full conversation logs and recordings for quality control

Proof From the Field

- HVAC companies booking emergency calls at 2 a.m. that show 85%
- Personal-injury firms turning late-night web leads into retained cases
- Real estate teams scheduling showings for weekend warriors
- Clients typically see 2–4× more appointments from off-hours traffic

How It Works

1. Lead contacts you after hours via any channel
2. AI engages instantly in natural, brand-aligned tone
3. Collects name, need, budget, timeline
4. Books directly into your calendar or flags urgency
5. Clean summary appears in your dashboard at start of business
