About Us

Founded in Orlando, Railing Max was born out of a deep passion for delivering exceptional railing and glass solutions. Our commitment to quality and attention to detail drive us to transform spaces with beautifully crafted installations that reflect the unique vision of each client.

Building Trust Through Every Project.

Railing Max Collection

MODERN RAILINGS, TIMELESS IMPACT

Where craftsmanship meets design, our collection transforms railings into architectural statements. From glass to cable to rod systems, each line is built to deliver elegance, safety, and modern sophistication for every space.

**RAILING
MAX**
STAIRS & RAILING

The Linea (Rod Railings Rounded)

Minimalist, Linear and Modern.

A refined, design-forward name that speaks directly to the horizontal layout and visual simplicity of rods.

Description:

- Stainless Steel Vertical Rounded Post ϕ 1-1/2".
- Stainless Steel Horizontal Rounded Handrail Tube ϕ 1-1/2".
- Stainless Steel Horizontal Rounded Rod ϕ 5/8".

Notes:

- 1) Available in 36" and 42" Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Available only Brushed Nickel color.
- 4) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Handrail. (White Oak, Red Oak and Mahogany).

THE LINEA
ROUNDED

The Horizon Line Rounded (Cable Railings Rounded)

Unobstructed, Modern and Infinite.

Evokes clean sightlines and an open, modern aesthetic-exactly what cable railings offer.

Description:

- Stainless Steel Vertical Rounded Post ϕ 1-1/2".
- Stainless Steel Horizontal Rounded Handrail Tube ϕ 1-1/2".
- Stainless Steel Horizontal Cable ϕ 1/8".

Notes:

- 1) Available in 36" and 42" Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Handrail. (White Oak, Red Oak and Mahogany).
- 5) Cable Colors Available: Stainless Steel Brushed Nickel and Black

THE HORIZON
LINE ROUNDED

The Horizon Line Square (Cable Railings Square)

Unobstructed, Modern and Infinite.

Evokes clean sightlines and an open, modern aesthetic-exactly what cable railings offer.

Description:

- Stainless Steel Vertical Square Post 1-9/16" x 1-9/16".
- Stainless Steel Horizontal Square Handrail Tube 1-9/16" x 1-9/16" or Rectangular tube 2-3/8" x 3/4".
- Stainless Steel Horizontal Cable ϕ 1/8".

Notes:

- 1) Available in 36" and 42" Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Handrail. (White Oak, Red Oak and Mahogany).
- 5) Cable Colors Available: Stainless Steel Brushed Nickel and Black.

THE HORIZON
LINE SQUARE

The Corinthia (Rod Railings Square Wood Post)

Classical form modern edge.

Nods to classical Greek design, evoking elegance, geometry and enduring strength.

Description:

- Red Oak Wood Vertical Square Post 3-1/2" x 3-1/2"
- Red Oak Wood Horizontal Rectangular Handrail 2-1/2" x 1-1/2"
- Satin Black Metal Rounded Rod ϕ 5/8".

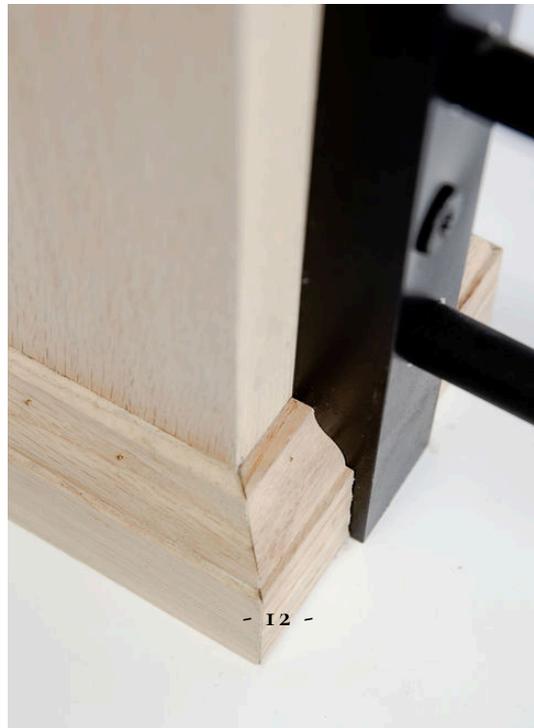

Notes:

- 1) Available in 36" and 42" Height.
- 2) Wood and Metal (indoor).
- 3) Post and Handrail Colors Available: Any Stain that your choice.
- 4) Rod Color Available: Black metal and Stainless-Steel Brushed Nickel.

THE CORINTHIA

The Vetro Line Rounded (Glass Railings with Post and Handrail Rounded)

Framed in Clarity and Finish in Form.

Clean and perfect for a glass system where every panel is individually supported and finished.

Description:

- Stainless Steel Vertical Rounded Post ϕ 1-1/2".
- Stainless Steel Horizontal Rounded Handrail Tube ϕ 1-1/2".
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 3/8".

Notes:

- 1) Available in 36" and 42" Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Handrail. (White Oak, Red Oak and Mahogany).
- 5) Glass Type Available: Clear or Low Iron Tempered.

STAIRS & RAILING

THE AURA VIEW
SQUARE

The Eleve Rounded (Glass Railings with Rounded Standoff)

Elevated by Design.

French inspired, meaning “elevated” Reflects the refined, floating effect of standoff glass systems.

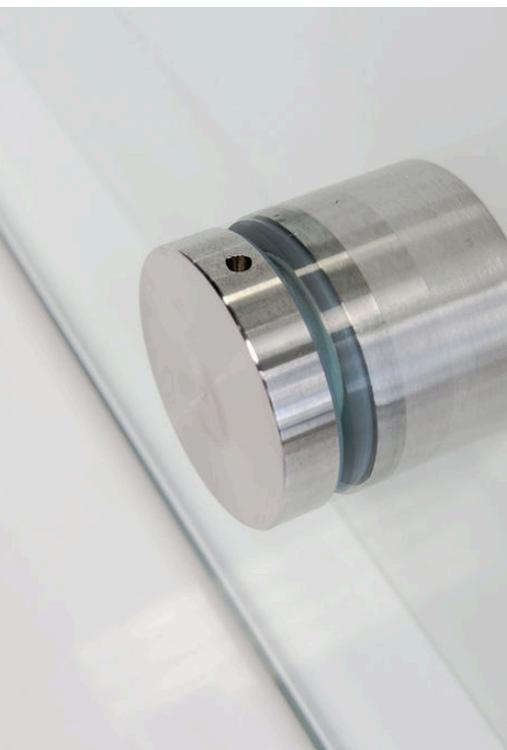

Description:

- Stainless Steel Rounded Standoff ϕ 2”.
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 1/2”.

Notes:

- 1) Available in 36” and 42” Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold
Brushed and Dark Brown.
- 4) Glass Type Available: Clear or Low Iron Tempered.

THE ELEVE
ROUNDED
STANDOFF

The Eleve Rounded Cap Rail (Glass Railings with Rounded Standoff and Rounded Cap Rail)

Elevated by Design.

French inspired, meaning “elevated” Reflects the refined, floating effect of standoff glass systems.

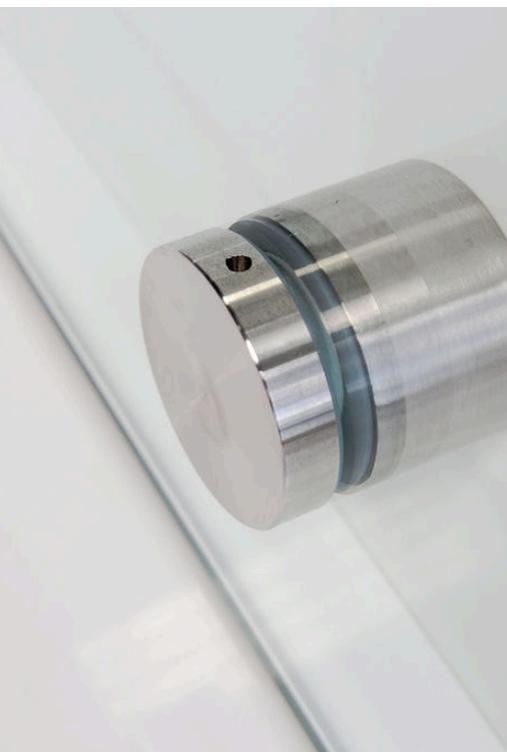

Description:

- Stainless Steel Rounded Standoff ϕ 2”.
- Stainless Steel Horizontal Rounded Cap rail ϕ 1-5/8”.
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 1/2”.

Notes:

- 1) Available in 36” and 42” Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4” x 1-9/16” and Rounded ϕ 1-1/2” Wood Cap rail. (White Oak, Red Oak and Mahogany).
- 5) Available Square 2-3/4” x 1-9/16” and Rounded ϕ 1-1/2” Wood Handrail inside of the Glass. (White Oak, Red Oak and Mahogany).
- 6) Glass Type Available: Clear or Low Iron Tempered

THE ELEVE
ROUNDED
CAP RAIL

The Eleve Square Cap Rail (Glass Railings whit Square Standoff and Square Cap Rail)

Elevated by Design.

French inspired, meaning “elevated” Reflects the refined, floating effect of standoff glass systems.

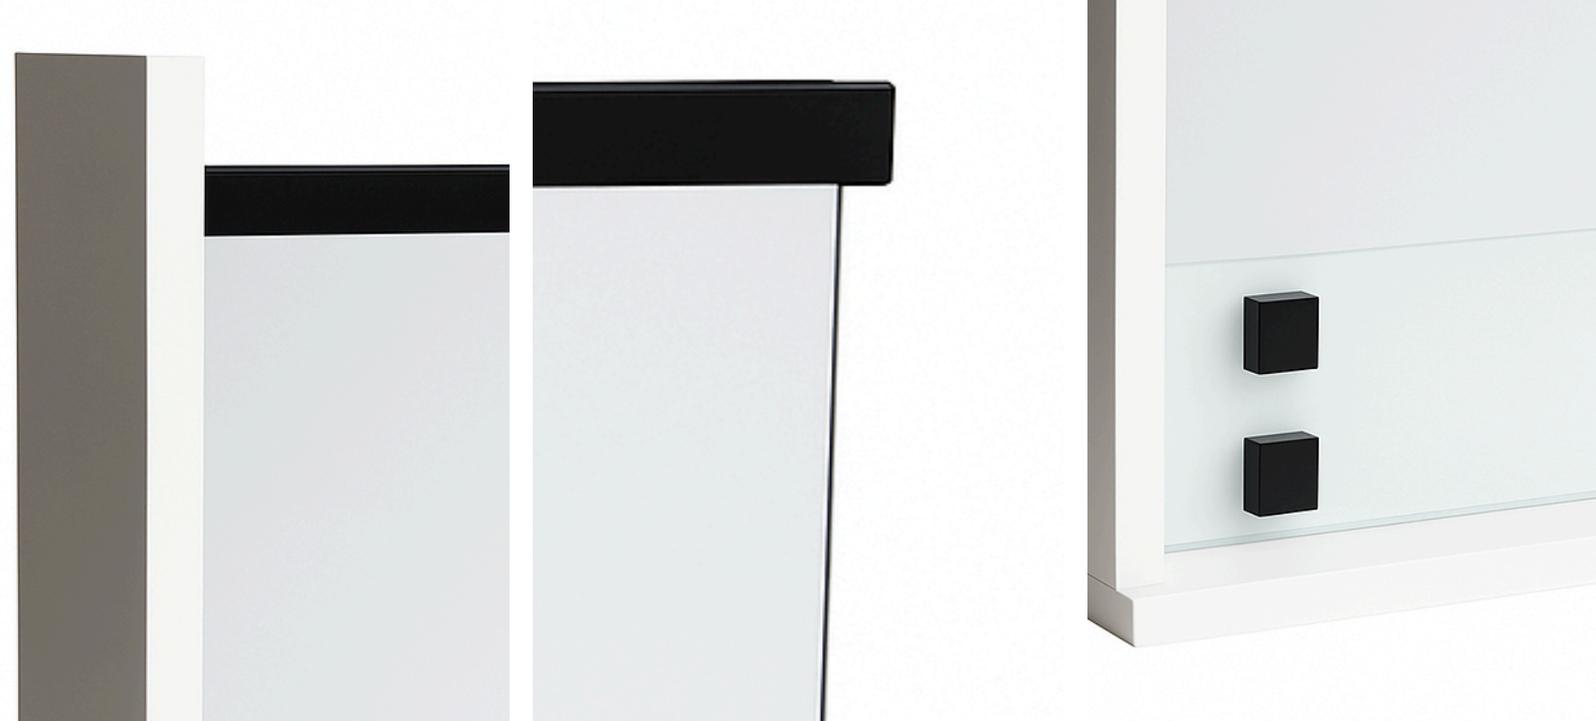

Description:

- Stainless Steel Square Standoff 2” x 2”.
- Stainless Steel Horizontal Square Cap rail 1-9/16” x 1-9/16”.
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 1/2”.

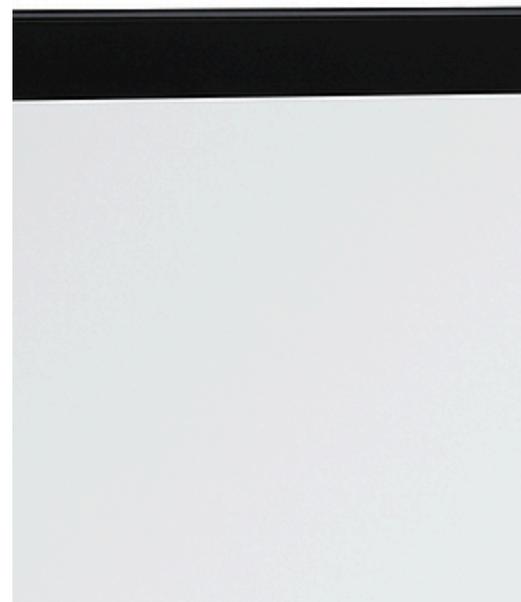

Notes:

- 1) Available in 36” and 42” Height.
- 2) Stainless Steel SS304 (indoor) or SS316 (outdoor).
- 3) Colors Available: Brushed Nickel, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4” x 1-9/16” and Rounded ϕ 1-1/2” Wood Cap rail. (White Oak, Red Oak and Mahogany).
- 4) Available Square 2-3/4” x 1-9/16” and Rounded ϕ 1-1/2” Wood Handrail inside of the Glass. (White Oak, Red Oak and Mahogany).
- 5) Glass Type Available: Clear or Low Iron Tempered.

THE ELEVE
SQUARE
CAP RAIL

The Edge Line (Glass Railings with Base Shoes)

Seamless, Sophisticated, Architectural.

Clean, flush to floor elegance that blends design with structural finesse.

Description:

- Aluminum Base Shoes.
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 1/2".

Notes:

- 1) Available in 36" and 42" Height.
- 2) Aluminum Brushed Anodize.
- 3) Colors Available: Brushed Anodize, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Glass Type Available: Clear or Low Iron Tempered.

THE EDGE
LINE WITH
BASE SHOES

The Edge Line (Glass Railings with Base Shoes and Rounded Cap Rail)

Seamless, Sophisticated, Architectural.

Clean, flush to floor elegance that blends design with structural finesse.

Description:

- Aluminum Base Shoes.
- Stainless Steel Horizontal Rounded Cap rail ϕ 1-5/8".
- Tempered Glass, Flat polish all side and Bump Corner, Thickness 1/2".

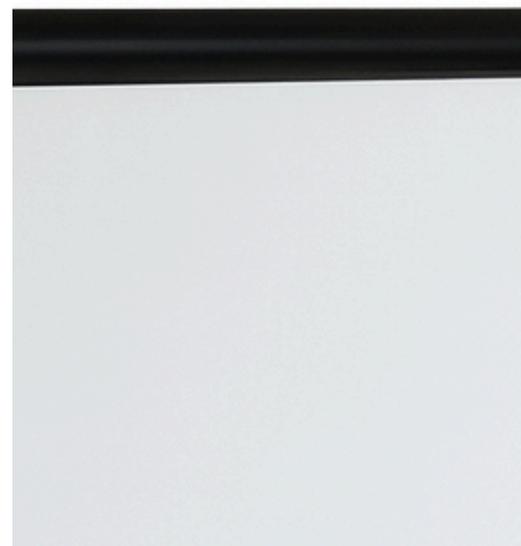

Notes:

- 1) Available in 36" and 42" Height.
- 2) Aluminum Brushed Anodize.
- 3) Colors Available: Brushed Anodize, Grey, Black, White, Gold Brushed and Dark Brown.
- 4) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Cap rail. (White Oak, Red Oak and Mahogany).
- 5) Available Square 2-3/4" x 1-9/16" and Rounded ϕ 1-1/2" Wood Handrail inside of the Glass. (White Oak, Red Oak and Mahogany).
- 6) Glass Type Available: Clear or Low Iron Tempered.
