Unincorporated Associations

A Private Member Association (PMA)

Member Agreement

Congratulations on becoming a member of an association with a presence across all 50 jurisdictions of the constitutional republic of the United States of America! Your membership includes lifetime support and places you within a community committed to education, service, and mutual benefit.

By using this website or participating in our daily 10 am Pacific question & answer sessions, you voluntarily join our private member association (PMA). As a member, you become part of a fellowship that is dedicated to lifelong learning and principled engagement. We operate as an educational ministry devoted to teaching and preserving knowledge of the laws and foundations of this free land in which we live.

Membership is not merely an enrollment—it is a lasting connection to a community that continues to give, serve, and support for a lifetime.
