

Denton County Classifieds: Official Facebook Group Rules & Guidelines

Welcome to the premier local marketplace for Denton County! Whether you are buying, selling, or promoting a local business, our closed Facebook group is dedicated exclusively to Denton County residents and businesses. By joining our group and page, you automatically agree to the following community rules designed to keep our platform safe, legitimate, and effective.

Membership & Location Requirements

Our community is strictly for Denton County residents and businesses only. To maintain a truly local marketplace, we verify locations and do not accept members residing or operating businesses outside of Denton County. All posts in the Facebook group are held for admin approval unless you are a pre-approved member.

General Posting Rules & Prohibited Items

To ensure clear communication across our marketplace, we require all posts to be in the English language. This is simply to ensure everyone in the community can clearly understand and engage with your listings.

For the safety and legality of our platform, the sale or advertisement of firearms, weapons, adult content, and drug paraphernalia is strictly prohibited.

Guidelines for Local Businesses

We love supporting local enterprises! If you are posting on behalf of a business, you must include your physical business address and your website URL in your Facebook post to build trust with our local buyers.

Safety, Spam, and Dispute Resolution

Our group assumes no responsibility for member-to-member transactions. However, we actively monitor for spam and inappropriate content, and we greatly appreciate our community members helping us by pointing out and reporting these posts.

If we receive reports of stolen goods being listed, the posts will be immediately removed and turned over to local authorities for investigation. We take these added measures to keep our marketplace legitimate, safe, and public-friendly for all Denton County residents. Have fun!

If you have a complaint regarding a transaction or need to discuss an issue with group admins, please send us a Private Message or email us directly at dentoncountyclassifieds@gmail.com.
