LICENSOR: Jessica Northey Studios, LLC d/b/a Jessica Corren Music (100% Writer & Publisher Owned)

LICENSE TYPE: Non-Exclusive Direct Venue License (Micro-Sync / Background Use)

VALIDITY: Perpetual, effective immediately upon purchase.

PROOF OF CLEARANCE: This certificate, when accompanied by the official Stripe purchase receipt, serves as legal authorization for the purchaser to publicly perform the listed audio assets within their commercial business operations. **This license applies strictly and exclusively to the specific track named on the purchaser's official Stripe payment receipt.** The receipt must be kept alongside this certificate as proof of legal clearance. - **Background Ambiance:** Playback in physical, commercial spaces (e.g., yoga studios, clinics, waiting rooms, retail spaces).
- **Guided Sessions:** Playback during live, in-person wellness retreats, breathwork classes, and fitness sessions.
- **Direct Instruction:** Use by the purchasing practitioner to facilitate their paid physical services.

STRICTLY PROHIBITED USAGE

This license does NOT grant the rights to:

- **Resale or Distribution:** You may not sell, share, or upload these audio files to any third party.
- **Remixing or Sampling:** You may not alter the tracks, add your own vocals to distribute as a new song, or mint the audio as an NFT.
- **Media Synchronization (Sync):** You may not use this music in broadcast television,

feature films, global advertising campaigns, or monetized YouTube/digital video content. (A separate Custom Sync License is required for media integration).
