Bellisima Beauty

Facials

Dermaplaning & LED
Dermaplaning is a minimally invasive procedure that uses sterile surgical blades to gently scrape away dead skins cells and fine facial vellus hair, commonly known as peach fuzz.
LED is a relaxing, non invasive, treatment that uses different wavelengths of light to help improve the appearance and condition of the skin. £60

Microneedling & LED
Microneedling uses tiny, sterile needles to created thousands of very small, controlled micro-channels in the skin. These micro-injuries stimulate the skins natural repair process, encouraging the production of collagen and elastin - the proteins that help keep skin firm, smooth and youthful. £65

Dermaplaning & Microneedling with LED
The perfect pairing to improve the appreance and condition of your skin. £100

MCA Facial
MCA is a professional skin treatment, designed to stimulate collagen and skin regeneration. £65

Add any of the following to your facial -

Ice Globes
Facial massage using ice cold globes, particulary good for puffiness around the eyes. £7

Collagens Masks
Brighten, firm and moisturise the skin, boosts collagen productions, leaving the skin feel silky smooth.
Face £8
Eyes £5
Lips £5

Hair mask
This natural, leave in formula, conditions, leaving the hair hydrated, luscious and frizz free. £5

Body Treatments

Spinal Flow

This is a gentle, non-invasive technique using light fingertip contact at key points in the sacrum and sphenoid. It helps release stress trapped in the nervous system, easing your body out of 'fight, flight or freeze" and back into balance. With no forceful adjustments and no known contraindications, it's suitable for almost everyone. Many clients notice deeper relaxation, better sleep, and relief from tension after just a few sessions. *Free 15 minute initial consultation*

**package to be used within 30 days*

30m £30

Course of 6 £160*

Hopi Ear Candles

Hand crafted candles made from linen, bees wax and honey, stimulate natural cleansing of the ear.
