Tick as you pack. If you do not own something on this list, say so before the camp and it will be prepared for you.

YOU DO NOT NEED TO OWN ANY OF THIS

Tent, sleeping bag, mat, rucksack or camping chair: tell Ben what you need and the kit will be prepared for you. Ask early rather than on the day.

What protects the cohort.

- No pitching or upselling. Nobody sells anything to anyone. Not the guests, not the founders, not Ben.
- Confidentiality. What is said at the fire stays there. Non-negotiable.
- No fixing. Nobody here needs saving. Speak from experience, not diagnosis.
- Ask before you advise. Questions first. Advice only when asked for.
- No performance. No positioning, no CV, no highlight reel.
- No phones or WiFi. Full digital detox.
- No alcohol or drugs. A clean, sober environment.
- Respect the land. Leave no trace.

This is not coaching. Nobody here needs fixing.

CONFIRMING YOUR PLACE

Places are approved by Ben personally and the number on each camp is deliberately small. Read the agreement and confirm your place electronically. Ask who is confirmed for the date you are considering.

If neither date works, ask to go on the waiting list. Dates are released a few at a time and each new cohort is offered to that list first.
