ATLAS TO ATLANTIC 7-14 DAYS

ONE POSSIBLE JOURNEY This sample itinerary shows how we believe you can get the most from your time and create a well-balanced adventure. The exact running order and individual elements may vary according to availability, local conditions and the needs of the group. Most aspects can also be tailored to suit your school's aims, preferred duration and priorities, so please get in touch and we can shape the right programme with you.

Day 1

Fly to Marrakech

Land to a warm welcome, settle into the hotel and take a first evening walk into the medina - spices, lanterns and city life gathering around the square.

Day 2

Into the Atlas Mountains

Drive through foothills and walnut groves, meet the mountain team and trek gently to an Amazigh village for the first night in a family-run gite.

Day 3

High trails & village life

Walk between stone hamlets and hillside fields, sharing tea and conversation along the way before reaching a terrace surrounded by peaks.

Day 4

Mountain pass crossing

Climb steadily to a panoramic pass, eat lunch with the range spread below and descend into a quieter valley.

Day 5

Culture, craft & a slower rhythm

Ease the pace and spend time with mountain life: bread, weaving, farming or simple Tamazight phrases, shaped by what is appropriate locally.

Day 6

Final descent & Marrakech

Descend through orchards to the trailhead, say goodbye to the mountain team and return to the colour and energy of Marrakech.

Day 7

Marrakech stories, gardens & souks

Explore palaces, courtyards, artisan streets and hidden gardens with a local guide, then enjoy time to discover the city in small supervised groups.

Day 8

West to the Atlantic

Watch the landscape open towards the ocean and reach the first coastal camp beneath big skies.

Day 9

Cliff-top trails & open horizons

Walk breezy headlands and rolling dunes, with students taking responsibility for sections of route and camp life.

Day 10

Fishing villages & red-rock cliffs

Follow the coast past pulled-up boats and sea-carved rock, reaching a quiet cove for camp and sunset.

Day 11

Leadership day by the ocean

Combine a shorter walk with team challenges, student leadership and time to reflect on the journey so far.

Day 12

Essaouira & return to Marrakech

Explore Essaouira's blue-and-white medina, sea walls and creative atmosphere before returning inland.

Day 13

Celebration & reflection

A final morning in Marrakech leads into a group reflection and celebration meal.

Day 14

Fly home

Return with sandy boots, mountain stories and friendships strengthened by two very different journeys.

SHAPE YOUR *Adventure*

Morocco is less a single itinerary than a collection of outstanding journeys, adventures and experiences that can be combined around age, season, learning aims and challenge.

ATLANTIC COAST

A lower-altitude journey through beaches, cliffs, fishing communities and supported camps - especially suitable for younger groups or warmer seasons.

TOUBKAL & HIGH ATLAS

Choose valley journeys, a Toubkal circuit or a summit-focused programme for older, well-prepared groups, subject to season and mountain conditions.

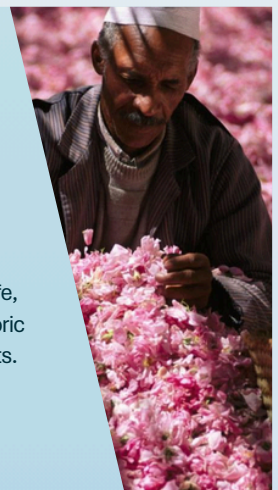

M'GOUN, SIRWA OR JEBEL SAHRO

Quieter mountain alternatives offering remote valleys, volcanic landscapes or winter-friendly southern trekking.

VALLEY OF ROSES

Create a focussed cultural programme around village life, cooperative craft, food, historic gardens and regional markets.

Sahara Extension

Add desert trekking or camp nights for a major landscape contrast, allowing sufficient travel and recovery time.
