Past Performance

Calvin Electric LLC routinely provides electrical services at various **local Federal sites, including Wright-Patterson Air Force Base (WPAFB)**. Our electricians are well-versed in government site requirements; many already possess **base passes and PIV cards**, and all are capable of passing necessary security checks to obtain additional site access. Our office is fully equipped to efficiently process all supporting documentation and paperwork for these projects.

Differentiators

- Current GSA Schedule FAC03 Contract Holder with GSA PIV carded staff
- IDIQ Contract Experience
- Registered with SAM, ORCA, WAWF/iRAPT/ PIEE
- State Fire Alarm Licensed
- NICET Fire Alarm Certification
- OSHA Certified
- Zero Accident History
- Licensed/Bonded/Insured
- Emergency Service
