ANPA AT A GLANCE

Building Health Systems. Transforming Communities.

Founded in 1995, ANPA is the largest association of Nigerian physicians in the diaspora, mobilizing world-class clinicians, educators, researchers and healthcare leaders through clinical care, surgery, workforce and capacity building, public health, telemedicine,telementoring and long-term institutional partnerships. **Figures below represent data collected from 2019 onward.**

IN-KIND VERIFIED SUPPORT

A PHYSICIAN-LED PLATFORM FOR SUSTAINABLE HEALTH IMPACT

ANPA combines direct care with workforce development, technology, research and institutional strengthening.

ANPA'S MISSION

Advance healthcare and serve vulnerable communities by mobilizing diaspora expertise, strengthening local professionals and building durable partnerships.

THE OPERATING MODEL

- Direct clinical and surgical services
- Training, simulation, and mentorship
- Telemedicine, mentoring, and digital health
- Research, quality improvement, and innovation
- Government, hospital, and community partnerships

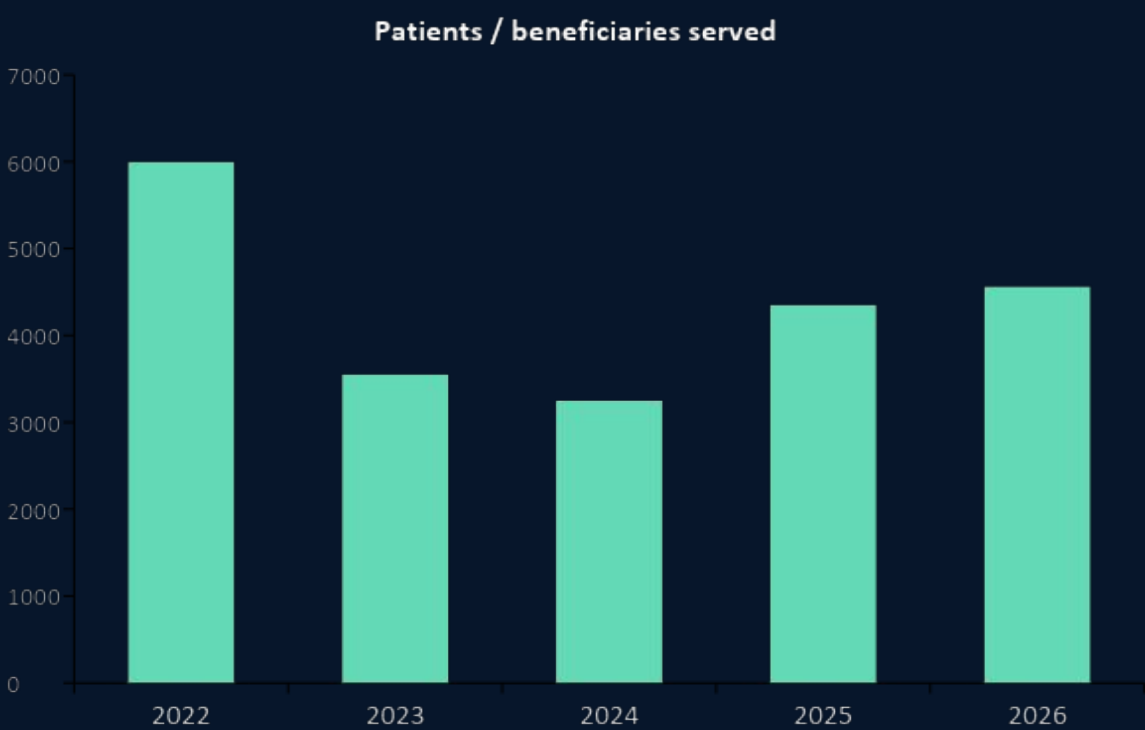

Partnership—not episodic intervention.

FIVE YEARS OF CONSISTENT DELIVERY

Documented mission performance demonstrates repeatable execution across states, specialties and partner institutions.

2022	6,000+ patients 400+ surgeries	Edo State
2023	3,553 patients 204+ trained	Ogun State
2024	3,252 beneficiaries 432 surgeries	Abia State
2025	4,354 encounters 700 trained	Oyo + Lagos
2026	4,566 patients 670 trained	Abia + Imo

ANPA'S IMPACT EXTENDS BEYOND ANNUAL MISSIONS

The organization adapted during COVID-19 and built technology-enabled care pathways.

2020 COVID-19 response

Telemedicine and remote care

Research and knowledge

\$170K+

PPE DONATED ACROSS NIGERIA

When physical missions became impossible, ANPA continued serving institutions through emergency protective-equipment support.

2,000+

TELEMEDICINE, MENTORING, & CONFERENCES

ANPA kickstarted the ECHO teleconference to support the continued education of Nigeria's health care professionals. Over 2,000 people attended.

A virtual mission in Calabar led to pilot hubs in Edo State and expansion into rural Esan West LGA.

Peer-Reviewed

RESEARCH & SCIENTIFIC PUBLICATION

The telemedicine pilot was presented internationally and published; ANPA also supports a peer-reviewed global health journal at AGHI.COM

LANDMARK PROCEDURES DEMONSTRATE DEPTH—NOT JUST SCALE

ANPA missions have introduced advanced minimally invasive procedures while transferring capability to local teams.

07 **First laparoscopic nephrectomy at LUTH**

07 **First laparoscopic cholecystectomy with
cholangiography at FMC Ebute-Metta**

07 **First ANPA-supported ERCP at LUTH**

Why it matters

Sponsors enable immediate patient care while helping Nigerian institutions build enduring specialist capability.

ONE MISSION. MULTIPLE SYSTEM-BUILDING WORKSTREAMS.

The 2027 program integrates treatment, surgery, training, data, logistics and communications across two states.

Clinical Care

Consultations, prevention, chronic disease and specialty clinics

Surgery & Specialty Care

General surgery, ophthalmology, women's health, endoscopy and specialty procedures

Workforce Development

BLS/ACLS, simulation, mentorship and professional education

Digital Health

Telemedicine, remote consultation, digital learning and data-enabled care

Public Health

Screening, health promotion, infectious disease prevention and community mobilization

Research & Evaluation

Monitoring, data collection, quality improvement and dissemination

Patient care is paired with capability transfer so impact continues after the seven-day field period.

WHY LEADING ORGANIZATIONS PARTNER WITH ANPA

A credible platform for measurable health impact, skilled volunteer leverage and government-linked execution.

- 09 **Trusted clinical network** Hundreds of North American physicians across specialties.
- 09 **Operating leverage** ANPA personnel volunteer their expertise and largely self-fund international travel.
- 09 **Defined use of funds** Sponsors underwrite specific work streams rather than an undifferentiated donation pool.
- 09 **Institutional access** Partnerships with federal and state governments, hospitals, universities and professional bodies.
- 09 **Measurable reporting** Budget-to-actual tracking, in-kind valuation and post-mission impact reporting.

CSR • ESG • HEALTH • COMMUNITY

SPONSORSHIP LEVELS TIED TO DEFINED WORKSTREAMS

Sponsors can fund a full workstream, combine work streams or provide verified in-kind support. Values below reflect cash requirements by cost center.

Sponsorship Level	Illustrative Scope	Cash Requirement	Minimum Donation
Platinum	Medical Operations & Patient Care	US\$460,000	US\$250,000
Gold	Clinical Infrastructure & Equipment	US\$180,000	US\$150,000
Silver	Personnel Support & Volunteer Operations	US\$260,000	US\$100,000
Bronze	Logistics & Supply Chain	US\$150,000	US\$50,000
Healthcare Partner	Local Workforce & Site Operations	US\$105,000	US\$25,000
Community Impact Partner	Communications, Media & Awareness	US\$75,000	US\$10,000
Governance Partner	Governance, Administration & Evaluation	US\$115,000	US\$10,000

Cash requirements are tied to defined cost centers. In-kind support may reduce the cash needed for a given workstream once verified and valued.

SPONSORSHIP LEVELS CSR/ESG PARTNER BENEFITS

Sponsors can fund a full workstream, combine work streams or provide verified in-kind support. Values below reflect cash requirements by cost center.

Sponsorship Level	Minimum Donation	Illustrative Scope
Platinum	US\$250,000	Lead Impact Partner recognition.Customized CSR/ESG Impact Report.Priority Visibility.Executive engagement.Health Community outcome metrics.Approved impact stories/media
Gold	US\$150,000	Major Impact Partner recognition.Customized CSR/ESG Impact Report.Priority Visibility.Executive engagement.Health Community outcome metrics.Approved impact stories/media
Silver	US\$100,000	Workforce Impact recognition.Report on clinicians,training volunteer impact. CSR/ESG metrics.Partner Visibility.Employee engagement opportunities.
Bronze	US\$50,000	Mission Access Partner recognition.Logistics Community-reach metrics.Partner visibility.Inclusion in Impact report.
Healthcare Partner	US\$25,000	Community Health Recognition.Health Education Outreach metrics.Digital/media acknowledgement.Inclusion in Impact report.
Community Impact Partner	US\$15,000	Community Recognition.Health Education Outreach metrics.Digital/media acknowledgement Inclusion in Impact report.
Governance Partner	US\$10,000	Impact Measurement recognition.Association with accountability evaluation.Outcome reporting.

CORE CSR/ESG VALUE ACROSS ALL PARTNERSHIPS

HEALTH	COMMUNITY	CSR/ESG
Improved access to care	Underserved community reached	Measurable Social impact
Screening,treatment prevention	Health education engagement	Documented use of investment
Healthcare workforce development	Local capacity strengthening	Defined outcomes and metrics
Health system strengthening	Sustainable referral pathways	Credible impact reporting

Every Anpa partnership is tied to a defined workstream and measurable impact .Helping partners demonstrate how their CSR/ESG investment improves health,strengthens communities and build sustainable healthcare capacity

US\$2.04M ALLOCATED ACROSS EIGHT COST CENTERS

Planning cash requirement: US\$1.44M | Target in-kind value: US\$600K

Cost Center	Cash Requirement	In-Kind Target	Total Program Value
Medical operations and patient care	\$460,000	\$185,000	\$645,000
Clinical infrastructure and equipment	\$180,000	\$180,000	\$360,000
Personnel support and volunteer operations	\$260,000	\$65,000	\$325,000
Local workforce and site operations	\$105,000	\$70,000	\$175,000
Logistics and supply chain	\$150,000	\$55,000	\$205,000
Communications, media and awareness	\$75,000	\$25,000	\$100,000
Governance, administration and evaluation	\$115,000	\$20,000	\$135,000
Contingency reserve	\$95,000	\$0	\$95,000
TOTAL	\$1,440,000	\$600,000	\$2,040,000

This is a planning-level budget, not a vendor quotation. Final costs will be validated through needs assessment, procurement and partner commitments.

PARTNER FUNDING SITS ALONGSIDE SUBSTANTIAL VOLUNTEER AND HOST-STATE CONTRIBUTIONS

The model separates cash needs from in-kind support to show the full economic value of the partnership.

US\$1.44M

CASH REQUIREMENT

Medicines, operations, workforce, logistics and controlled implementation costs

US\$600K

IN-KIND TARGET

Equipment, facilities, transportation, staffing and verified partner support

Pro Bono

CLINICAL EXPERTISE

Participating ANPA personnel provide professional services free of charge

HOST-STATE AND INSTITUTIONAL CONTRIBUTIONS

- Hospitals, theatres, training venues, storage, utilities, oxygen and medical furniture
- Local doctors, nurses, pharmacists, laboratory staff, community health workers and interpreters
- Accommodation, ground transportation, ambulances, security and patient mobilization
- Regulatory facilitation, customs support, local procurement, warehousing and distribution
- Referral, post-operative, pathology, medication and continuity-of-care services

WHAT SUCCESS LOOKS LIKE IN 2027

Immediate care delivery plus institutional capability that remains after the mission.

4.3K+
PATIENTS TO TREAT

Illustrative target

400+
PROCEDURES

Potential surgical + endoscopic

500+
TRAINEES

Professionals and students

2 States
SYSTEMS STRENGTHENED

Akwa Ibom + Cross River

Access

Improve access to quality healthcare and specialty services.

Capacity

Enhance clinical skills, emergency preparedness and local institutional capability.

Continuity

Strengthen referral pathways, follow-up care and longer-term collaboration.

Evidence

Measure outcomes, support research and publish impact findings.

Illustrative output targets will be finalized after the joint needs assessment and site-specific clinical planning.

FUNDS ARE CONTROLLED, TRACEABLE AND LINKED TO OUTCOMES

Corporate and institutional partners receive disciplined financial and impact reporting.

14 Written partner agreements

Defined responsibilities, deliverables and budget ownership.

14 Competitive procurement

Documented quotations and approval controls.

14 Segregation of duties

Separate authorization, purchasing, receipt, payment and reconciliation.

14 Inventory control

Logs for medicines, supplies and equipment.

14 Budget-to-actual reporting

Reporting by cost center and partner.

14 Post-mission accountability

Financial report, impact report and independent review or audit as required.

FROM PARTNERSHIP COMMITMENT TO MEASURED IMPACT

A staged operating plan supports disciplined preparation, execution and post-mission evaluation.

ACCOUNTABLE LEADERSHIP AND BOARD OVERSIGHT

ANPA Global Health operates under the governance of the Association of Nigerian Physicians in the Americas.

Dr. Gertie Anyanwoke

National President

Dr. Lanre Y. Jimoh

President-Elect

Dr. Oranu G. Ibekie

National Treasurer

Dr. Cliff C. Eke

Immediate Past President

Board oversight includes ANPA national officers and the Board of Directors, responsible for financial stewardship, clinical governance and institutional accountability.

ANPA 2027 ACCOUNTABLE LEADERSHIP AND MISSION SUCCESS OVERSIGHT

Dedicated mission leadership provides operational accountability, cross-workstream coordination and disciplined execution for ANPA Global Health Impact 2027.

Dr. Maureen Obiora

ANPA 2027 Mission Chair

Dr. Uzo Unegbu

ANPA 2027 Mission Chair

Dr. Mariam Orji

ANPA 2027 Mission Chair

Mission leadership will coordinate clinical delivery, volunteer deployment, host-state engagement, logistics, data, communications and post-mission accountability.

PARTNER WITH ANPA

Fund care today. Strengthen systems for tomorrow.

ANPA invites corporate, institutional, philanthropic and government partners to fund defined 2027 workstreams and measurable outcomes.

PLATINUM \$250K+

GOLD \$150K+

APPENDIX

Detailed 2027 budget tables, planning assumptions and controls.

A. MEDICAL OPERATIONS & PATIENT CARE

The largest workstream—medicines, consumables, surgery, laboratory, dental, eye care and infection prevention.

Line Item	Cash	In-Kind	Total
Pharmaceuticals and pharmacy supplies	\$180,000	\$60,000	\$240,000
Medical supplies and consumables	\$105,000	\$40,000	\$145,000
Surgical instruments, implants and consumables	\$85,000	\$30,000	\$115,000
Laboratory test kits, reagents and specimen supplies	\$45,000	\$20,000	\$65,000
Dental supplies and consumables	\$20,000	\$10,000	\$30,000
Eye-care supplies, lenses and surgical consumables	\$20,000	\$20,000	\$40,000
Medical waste management and infection-prevention supplies	\$5,000	\$5,000	\$10,000
Subtotal	\$460,000	\$185,000	\$645,000

Workstream total: \$645,000

B. CLINICAL INFRASTRUCTURE & EQUIPMENT

Portable diagnostics, specialty equipment, sterilization, clinic setup and essential utilities.

Line Item	Cash	In-Kind	Total
Portable diagnostic and treatment equipment	\$80,000	\$70,000	\$150,000
Ophthalmology, dental and endoscopy equipment support	\$35,000	\$55,000	\$90,000
Sterilization, oxygen and cold-chain systems	\$25,000	\$20,000	\$45,000
Temporary clinic setup, medical furniture, tents and signage	\$20,000	\$15,000	\$35,000
Generators, power backup, water and communications	\$20,000	\$20,000	\$40,000
Subtotal	\$180,000	\$180,000	\$360,000

Workstream total: \$360,000

C. PERSONNEL SUPPORT & VOLUNTEER OPERATIONS

Accommodation, meals, local transport, PPE, insurance and emergency support for mission teams.

Line Item	Cash	In-Kind	Total
Accommodation for international and core local teams	\$190,000	\$30,000	\$220,000
Meals, water and refreshments	\$45,000	\$15,000	\$60,000
Local ground transportation and airport transfers	\$15,000	\$10,000	\$25,000
Volunteer kits, PPE and identification	\$5,000	\$5,000	\$10,000
Insurance and emergency medical support	\$5,000	\$5,000	\$10,000
Subtotal	\$260,000	\$65,000	\$325,000

Workstream total: \$325,000

D. LOCAL WORKFORCE & SITE OPERATIONS

Local clinicians, patient navigation, drivers, sanitation, security and volunteer coordination.

Line Item	Cash	In-Kind	Total
Local clinical and technical workforce support	\$50,000	\$30,000	\$80,000
Community health workers, translators and patient navigation	\$15,000	\$10,000	\$25,000
Drivers, cleaning, sanitation and site support	\$15,000	\$10,000	\$25,000
Security and emergency coordination	\$15,000	\$10,000	\$25,000
Local volunteer coordination and welfare	\$10,000	\$10,000	\$20,000
Subtotal	\$105,000	\$70,000	\$175,000

Workstream total: \$175,000

E. LOGISTICS & SUPPLY CHAIN

Freight, customs, warehousing, vehicles, fuel, equipment handling and supply-chain support.

Line Item	Cash	In-Kind	Total
Freight, customs, NAFDAC and regulatory facilitation	\$50,000	\$10,000	\$60,000
Warehousing, inventory and distribution	\$20,000	\$10,000	\$30,000
Vehicle rental, buses, ambulances and fuel	\$50,000	\$25,000	\$75,000
Equipment handling and inter-state transport	\$20,000	\$5,000	\$25,000
Procurement and supply-chain support	\$10,000	\$5,000	\$15,000
Subtotal	\$150,000	\$55,000	\$205,000

Workstream total: \$205,000

F. COMMUNICATIONS, MEDIA & AWARENESS

Community mobilization, media production, digital content, partner recognition and impact reporting.

Line Item	Cash	In-Kind	Total
Community mobilization, radio, print and local publicity	\$20,000	\$5,000	\$25,000
Photography, videography and documentary production	\$20,000	\$10,000	\$30,000
Digital content, livestream, website and social media	\$12,000	\$5,000	\$17,000
Partner branding, signage and recognition materials	\$8,000	\$5,000	\$13,000
Impact report design, editing and production	\$15,000	\$0	\$15,000
Subtotal	\$75,000	\$25,000	\$100,000

Workstream total: \$100,000

G. GOVERNANCE, ADMINISTRATION & EVALUATION

Project management, finance, compliance, legal, clinical governance, monitoring, research and administration.

Line Item	Cash	In-Kind	Total
Project management and coordination	\$35,000	\$5,000	\$40,000
Finance, accounting, audit and compliance	\$15,000	\$0	\$15,000
Legal, contracts, permits and government liaison	\$12,000	\$5,000	\$17,000
Credentialing, data protection and clinical governance	\$8,000	\$5,000	\$13,000
Monitoring, evaluation and data collection	\$25,000	\$5,000	\$30,000
Research, quality improvement and dissemination	\$10,000	\$0	\$10,000
Administrative operations and stationery	\$10,000	\$0	\$10,000
Subtotal	\$115,000	\$20,000	\$135,000

Workstream total: \$135,000

H. CONTINGENCY RESERVE

Emergency procurement, patient safety, exchange-rate movement and operational changes.

Line Item	Cash	In-Kind	Total
Contingency and emergency reserve	\$95,000	\$0	\$95,000
Subtotal	\$95,000	\$0	\$95,000

Workstream total: \$95,000

PLANNING ASSUMPTIONS, VARIABLES AND EXCLUSIONS

Final implementation costs will be validated through needs assessment, procurement and partner commitments.

- 28 Approximately 150 international and local healthcare professionals across clinical, surgical, training, logistics, data and communications workstreams.
- 28 Participating ANPA physicians and healthcare professionals provide their clinical and professional services free of charge.
- 28 International airfare and professional licensure or credentialing are assumed self-funded unless specifically underwritten or centralized locally.
- 28 Major capital equipment beyond the listed scope requires separate technical specifications and quotations.
- 28 Complex procedures, implants, pathology, intensive care and extended post-operative care may change the final clinical budget.
- 28 NGN equivalents will be updated at the exchange rate approved at contracting or payment.
- 28 Final costs may be reduced by host-state support, donated medicines and equipment, negotiated rates or additional volunteer self-funding.

THANK YOU

Let's build the 2027 partnership together.
