OPPORTUNITY

DECORATIVE
LANDSCAPE CURBING

01 BE YOUR OWN BOSS

AN OPPORTUNITY TO EARN WHAT YOU'RE WORTH

Being your own boss has it's advantages - job security, your own hours and nobody telling you what to do. *And then there's the money you can earn and keep!*

Realize your American Dream... your business, your money.

The Lil' Bubba® curbing business can be a rewarding investment into your future, delivering the financial freedom and stability we all strive for. Our business packages are built on a proven business model that's been refined over the last three decades - *just bring your truck.*

It's a proven business on a trailer combined with certified training, personal mentoring and on-going support to help you get up and running.

Experience not required, *but working the Lil' Bubba® process is!*

03 CURBING BUSINESS

DECORATIVE CONCRETE IS BIG BUSINESS

Curbing. Edging. Borders. No matter what you call it, it's become mainstream for homeowner's who take pride in their property and enjoy exceptional curb appeal. And in today's economy, decorative landscape curbing, as a business, is exploding across the US with the **\$153 billion dollar landscaping industry**.

IBIS World Landscaping Services Industry Report shows that the landscape services industry has annual revenues of \$153 billion, with small businesses dominating the majority of work.

November 2023

There's a long list of advantages when homeowners upgrade their landscaping with decorative concrete curbing, but the bottom line is, *the demand for curbing professionals is incredible* and we offer you a profitable business model and opportunity.

And this business goes beyond residential, there are commercial and municipalities, golf courses, parks and recreational facilities, just to name a few.

05 TURNKEY BUSINESS

EVERYTHING YOU NEED... ON THE TRAILER

Lil' Bubba® offers several pre-packaged configurations and price points, but our Landscape Business Pro offers you the ultimate turnkey, home based *mobile curbing business* on a trailer... just add water.

And yes, Lil' Bubba® makes it that simple!

JUST WORK THE PROCESS!

07 WHY Lil' BUBBA

REPUTATION. EXPERIENCE.
SUPPORT.

Your own *Personal Success Manager*™. Exclusive Pro Start Program. Premium Curb Machines. Unmatched success at *Curb.Academy*. But more importantly, we *make hard work easier* and our curb professionals take pride in the work and the services they provide in their communities while earning an above-average income.

Join our Lil' Bubba® Team for less than most any franchise, but typically more profitable and enjoy a turnkey, home based mobile business with proprietary products, the best equipment and a commitment from Lil' Bubba® to help you get up and running and pointed toward success.

Once certified, we'll make sure you and your team become the *best of the best* in your community.

WE'VE GOT YOUR BACK

THINK TEAM WORK.

It started in 1992 as *The Concrete Edge Company* laying curb in Orlando, FL with a cool little machine that eliminated the hard work required for decorative landscape curbing. Today, the Lil' Bubba® is the leading curb machine, sold world wide, offering a complete *business on a trailer!*

Over the years the demand for landscape curbing has exploded and the Lil' Bubba® grew into its own business model as a total curbing business solution - machine, tools, accessories, training and leadership.

The opportunity to own a curbing business, powered by the Lil' Bubba®, is perfect for those who like working outdoors and can hustle.

The Lil' Bubba® is a CAD/CAM* engineered machine and is precision-built in a ISO 9001 Certified manufacturing facility that is a U.S. Government Contractor and Global supplier to the US Military.

Over 3 Decades, same owners, same location, same commitment.

*Computer-aided Design / Computer-aided Manufacturing.

11 THE HORNET EP

EXCLUSIVE PATENTED DRIVE SYSTEM

The Award Winning Lil' Bubba® *Hornet EP* has become the most popular curb machine built - worldwide. It's tough, powerful and built to last. Engineered in-house and manufactured in Orlando, FL, this machine makes hard work easy...*and fast*.

The Lil' Bubba® is a precision built work-horse with our patented *Elliptical Plunger Drive* system that creates a consistent flow of concrete, helping to prevent common flat spots and weak areas that other machines struggle with. You'll be able to place borders within 2" of any stationary object, make tight 14" turns, and with the exclusive walkway mold, you can go from curbs to walkways in seconds.

1ST 3 years Annual Maintenance Included
And with our **Lifetime Warranty**, we'll eliminate the Sting!

13 THE MONEY MAKERS

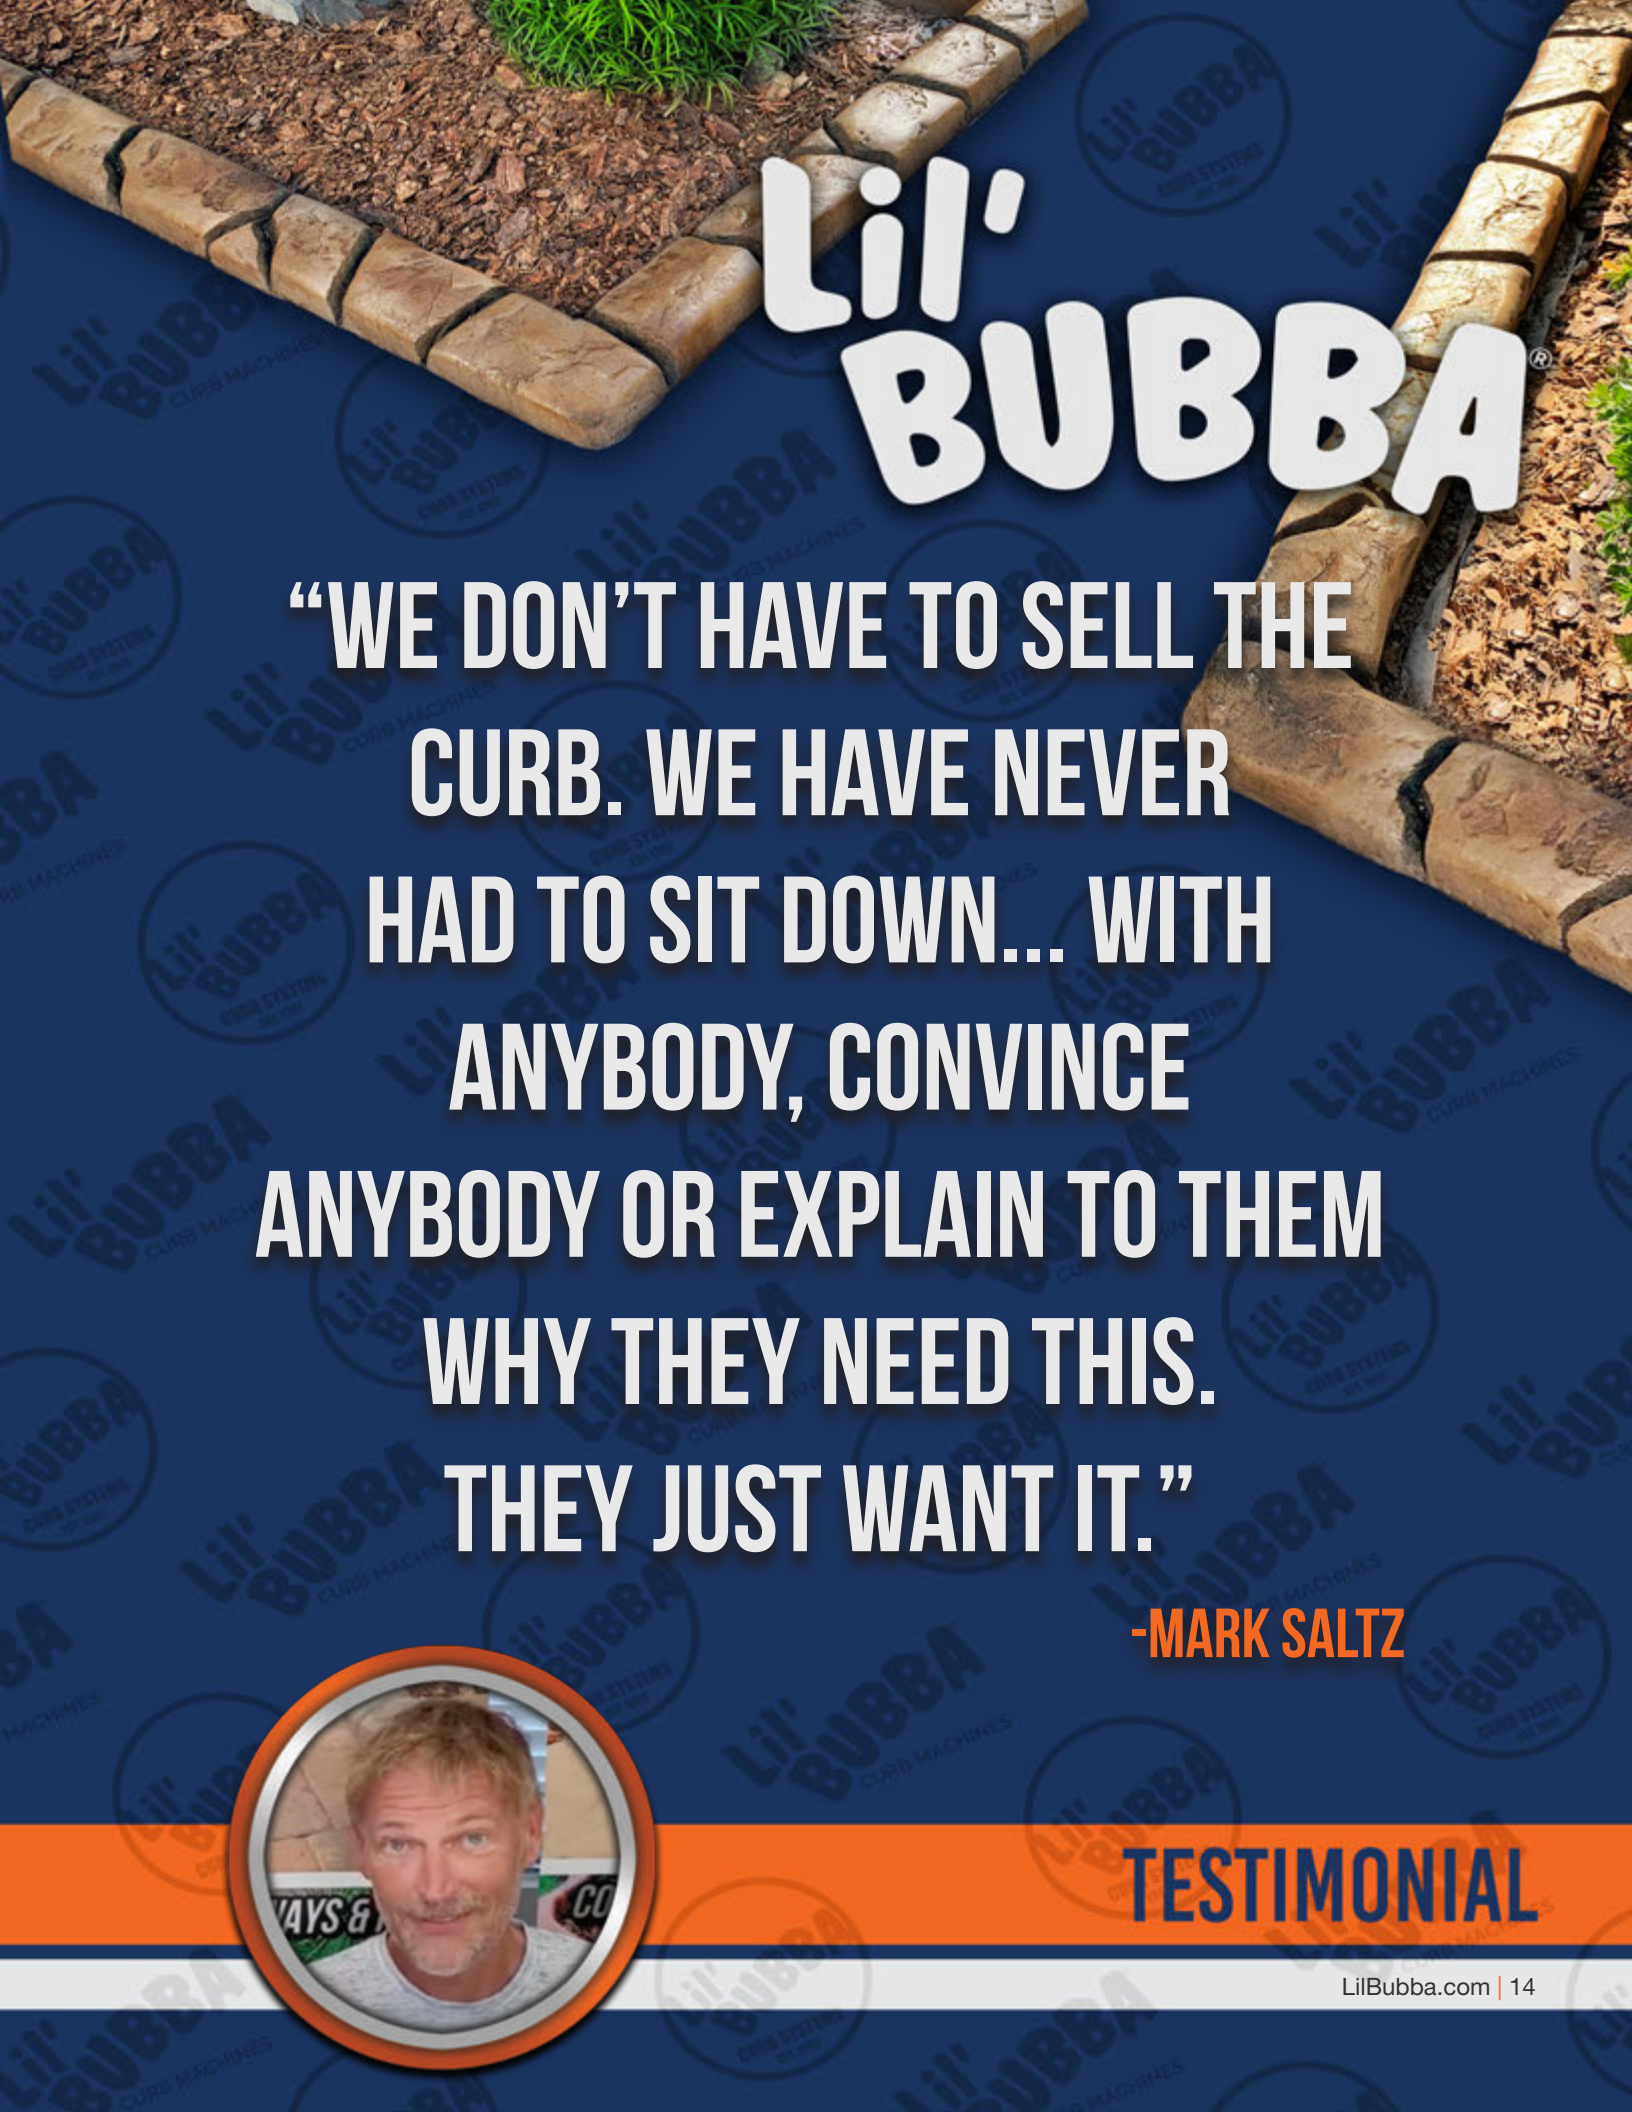

BUILT IN OUR MIL-SPEC FACILITY

The Lil' Bubba® 'Scape series packages are available in three different *ready-to-go* packages to fit most any budget, but the UltraScape Pro Max 6 is our **turnkey business on a trailer**.

Our 'Scape series are structured for those who want the benefits of a home-based, mobile business. You can operate it yourself or manage a curbing crew while you are building your business. All packages are put together with knowledge from years of experience *and designed on a tradition of quality products*.

All three Lil' Bubba® 'Scape packages offer an opportunity to those who can work our process and we'll help you get up and running. You'll even be assigned your own *Personal Success Manager*, receive certified training at the Curb.Academy and experience the best customer service available.

Priced similar to an inexpensive franchise, the Lil' Bubba® curb business can generate great profits and offer real growth potential.

The background of the top half of the image shows a garden bed with a stone curb. The curb is made of large, flat, light-colored stones. The garden bed is filled with dark brown mulch and some green plants. The Lil' Bubba logo is repeated in a circular pattern across the background.

Lil' BUBBA®

“WE DON'T HAVE TO SELL THE CURB. WE HAVE NEVER HAD TO SIT DOWN... WITH ANYBODY, CONVINCE ANYBODY OR EXPLAIN TO THEM WHY THEY NEED THIS. THEY JUST WANT IT.”
