

CAMPUS PATHWAY

CAMPUS CLIMATE SURVEY

Please rate the following statements using the key below. Your answers may be anonymously provided to our campus partners.

RATING

1 – 3: Significant improvement needed; fails to meet basic student needs

4 – 6: Average; functional but lacks consistency or modernization

7 – 9: Strong performance; reliable and high-quality service

10: Exceptional; a defining strength of the institution

- _____ 1. How seamless and intuitive is the process of securing the classes needed for your degree path?
- _____ 2. How effective are counselors in helping you navigate your major's graduation requirements?
- _____ 3. How safe do you feel on campus, and how visible/responsive are campus safety officers?
- _____ 4. How helpful is the financial aid office in explaining packages, deadlines, and scholarship opportunities?
- _____ 5. Rate the variety, healthiness, and affordability of food available on campus.
- _____ 6. How proactive is the campus in connecting students with local Ventura County employers and professional development?
- _____ 7. How accessible and effective are the campus counseling, psychological, and wellness services?
- _____ 8. Library & Study Spaces: Rate the availability of quiet zones, modern technology, and research support in the campus library.
- _____ 9. How well does the campus foster an environment where students of all backgrounds feel represented and heard?
- _____ 10. Rate the variety and vibrancy of social, professional, and cultural clubs available to join.
- _____ 11. How easy is it to find parking, and how well does the campus support students who live off-site?
- _____ 12. Rate the cleanliness of the facilities and the upkeep of the outdoor spaces and landscaping.
- _____ 13. How consistent and fast is the internet connection across all areas of the campus (including outdoor spaces)?
- _____ 14. How well does the campus accommodate students with physical or learning disabilities?
- _____ 15. How well does the college connect students with the broader Ventura County community through service or local events?
- _____ 16. How well does the campus explain the long-term implications of student loans, budgeting, and the "real cost" of attendance beyond tuition?
- _____ 17. How effectively does the college involve and educate your family (especially those who are unfamiliar with the college process) in your educational journey?
- _____ 18. Rate the ease of finding a mentor who understands any similar individual challenges you face.
- _____ 19. How well does the campus explain academic terms, office hours, and university "red tape" without assuming you already know how it works?
- _____ 20. How much do you feel like a "true" member of the campus community rather than an outsider or an imposter?
- _____ 21. How comfortable do you feel approaching professors to ask for help or clarification outside of class time?
- _____ 22. How well does the campus communicate "extra" costs like lab fees, expensive textbooks, or mandatory event fees before they are due?
- _____ 23. How well does the campus accommodate students who must work off-campus or have significant family responsibilities?
- _____ 24. Rate the availability and ease of access to emergency grants, food pantries, or clothing closets for professional attire.
- _____ 25. How confident do you feel that the campus is preparing you to navigate the professional world or graduate school applications?
