

What you need before making a book

Start with what you know. Estimates are fine.

Tick each item as you prepare it. Add a short note beside it.

☐ My book idea in one sentence

☐ Who the book is for

☐ The type of book
Coloring, journal, planner, puzzle, workbook, novel

☐ Rough length
Pages or word count

☐ Whether I have a manuscript or content ready

☐ Cover ideas, colors, and example covers I like

☐ Whether I have a KDP account
Or I am ready to set one up

☐ My deadline, if I have one

☐ Who makes the final decisions

☐ Anything I want to avoid
