Let's find Allah's beautiful creations!  
Say "SubhanAllah!" every time you spot one.

SubhanAllah! Allah gives fragrance to His creations.

- Moves with the wind (a leaf, tall grass, tree branch)  
SubhanAllah! Allah made the wind gentle and strong.

- Has tiny legs (an ant, spider)  
SubhanAllah! Allah gave even the smallest creatures life.

- Feels rough or bumpy (a tree bark, stone)  
SubhanAllah! Allah made different textures in nature.
