ST. PETER'S MONTESSORI SCHOOL AWARDED HIGHEST DISTINCTION BY ASSOCIATION MONTESSORI INTERNATIONAL

January 9, 2025: St. Peter's Montessori School is a member of Association Montessori International (AMI). Founded by Dr. Maria Montessori, AMI is the steward of Montessori pedagogy. The objectives of the foundation are to uphold, propagate and further the pedagogical principles and practice formulated by Dr. Maria Montessori for the full development of the human being. As a certified AMI school, St. Peter's Montessori is evaluated regularly by AMI through on-site observation to confirm its continued success in delivering Montessori methods. During the most recent evaluation of its Children's House - Primary classrooms (age group 3 yrs – 6 yrs), St. Peter's Montessori School was awarded the highest distinction of Recognized for its Children's House – Primary Program.

"The team is reflective and committed to fostering growth within both the school and their practice. I have observed its resilience and strong commitment to the work being carried out. They care deeply for each child and understand the importance of fostering their confidence and guiding them in reaching their full potential." - Kay Loer, AMI Consultant and Lower Division Director of Montessori Academy of Colorado.

"We are thrilled to be awarded the distinction of Recognized for our Children's House program by AMI. Our staff has such a passion for their work and compassion for our children. They strive everyday to bring out the best in each child. As we celebrate our 60th anniversary, we look to the future as we continue to grow our community and presence in the west valley." - Diane Woodyard, Head of School

Located in Litchfield Park, Arizona, St. Peter's Montessori School has been serving and educating Arizona children for over 60 years. Founded in 1964, the school's mission is to bring out the best in every child. It's vision for intrinsically motivated, compassionate, curious, and innovative global citizens, is brought to life by the caring guides (teachers), faculty, and community. The school offers programs from 12 months old through 4th grade and aspires to grow its programs through middle school.
