This is a current Member project.

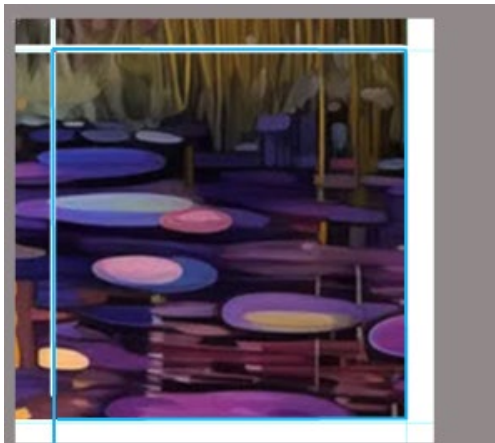

This year, we selected Interpretations by
“Landscape” - Gustav Klimt and
“Cottage Garden” Vincent Van Gogh.
You will receive a random 6 in square to
render in any medium but the lines must
match up to the surrounding squares.

Once mounted back together, the “painting” will be raffled off at our annual Black Mountain Art Show in November.

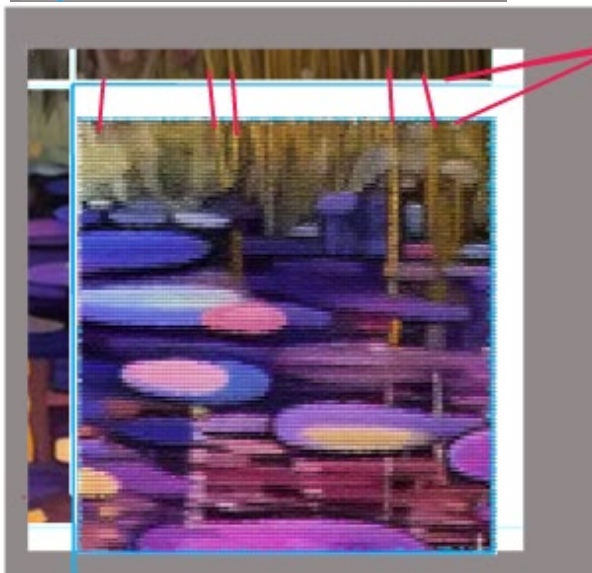

Notice how the different mediums squares attach from previous painting.

Contact Dorothy (909)532-2758 to get your art. The square is randomly selected. Total of 48 Squares. You will receive a returnable bag, gesso square, art piece to copy, full picture and instructions. You will need to supply carbon paper or pencil to blacken in on back for transfer. After copying the image to your board, make sure the lines line up with surrounding lines. Then use any medium, acrylics, colored pencil, diamond art, paper, it's up to your imagination. Place completed board, your 6 in. image in plastic bag and return to Dorothy before October 2, 2026
