The management and staff have been attentive and responsive, ensuring that any issues are addressed promptly. Their effort in maintaining a safe and welcoming atmosphere is truly commendable.

TESTIMONIAL

Audry Yeulanda Ng (Class 2025)

I stayed in the hostel provided by Penang International Dental College for 2 years, and, overall, it was a comfortable experience. My unit came with a queen bed new air conditioner, wardrobe, washing machine, balcony drying area, and cooking was allowed.

Some furniture such as bookshelves and study table needed to be bought, though study table could be requested.

Hostel management was very responsive - they fixed water leaks, cleaned the balcony, and replaced the microwave when needed. A fridge was provided as well.

The building itself had several shared facilities like swimming pool, gym, pickleball court, sauna and music room (booking required through the management). WIFI not included, which is something that could be improved in the future, especially for students.

Overall, it was a convenient place to stay with supportive management and useful facilities.
