FIRST GET IN PROFIT. *Then* PICK YOUR PACE.

1 STEP 1: PROFIT FIRST

Our FIRST goal for every new member is simple:

**GET YOUR SYSTEM PAID FOR —
AND PUT MONEY IN YOUR POCKET!**

- ✓ You don't need 50 people.
- ✓ You don't need 20 people.
- ✓ You don't even need 10 people personally.

THE FIRST DUPLICATION GOAL IS:

THAT PUTS YOU IN PROFIT!

Nobody quits when their system/product is paid for with money left over! ❤️

WHY THIS MATTERS

PROFIT = RETENTION

People stay when they're making money!

RETENTION = DUPLICATION

They duplicate what works for them!

DUPLICATION = GROWTH

Simple duplication creates massive results!

**GET IN PROFIT FIRST.
THEN BUILD YOUR DREAM.**
