Unlock an Engaged, High Performing Team Culture

YOUR GROUPS

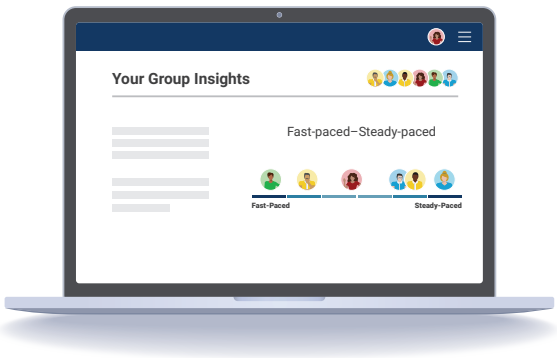

We all carry the weight when a team doesn't work well together. Frustrations arise, assumptions are made, and time is wasted, hurting morale and the bottom line. Everything DiSC® on Catalyst™ has proven to inspire more cohesive, collaborative cultures by teaching people about themselves and others. Now, the magic of DiSC can help **teams** perform better together with **Your Groups.**

Your Groups on Catalyst™

Your Groups is a simple, fun, and interactive tool available within each learner's Catalyst profile. By combining DiSC with actionable group insights, Your Groups helps teams build cohesion and adapt their behavior for optimal performance. With Your Groups, learners can:

- **Create and save groups** that reflect their workday
- Plot each member of their team on the **Group Map**
- Get to know their teammates with **Style Insights**
- Shed light on group dynamics with the **Big Picture**
- Inspire rich discussions with **Conversation Starters**

Start shaping a more engaged, high-performing team culture with Everything DiSC® on Catalyst™, now with Your Groups.
