Materials Donation Request – Community Care Program

Jack of All Junction LLC is a locally owned handyman and small construction company serving Grand Junction and Mesa County.

Through our Community Care Program, we provide limited pro bono labor for safety and accessibility repairs for seniors, veterans, and families facing temporary hardship.

We are seeking donations of basic construction materials or store credit to support this effort.

Commonly Needed Materials

- Grab bars and handrails
- Fasteners and anchors
- Caulking, sealants, and weatherstripping
- Fence and gate hardware
- Smoke detectors
- Minor plumbing repair parts

Proof of insurance available upon request.
