The current life-lease agreement controls

Do not assume every Gainsborough suite has the same charges, utilities, parking, storage, features, eligibility or resale terms.

What ownership means

At Gainsborough, a resident purchases a market-value life-lease interest and receives the contractual right to occupy a suite and share common areas. The sponsor owns the property. Confirm the current agreement, exact suite documents, monthly charges, taxes, utilities, insurance duties and rules. No universal amount or inclusion package applies to every suite.
